The Time Is Now

The school year of 1972-73 was filled with major national events: new world and olympic records were set during the 20th Olympiad; President Nixon was challenged by Democrat George McGovern in the Presidential Elections; Archie Bunker was a popular candidate for the Presidency, but didn't get many votes. Major events were also plentiful at G.E.T. throughout the year: Homecoming events kept everyone busy for about a week; the Redmen football team made the headlines by winning over Arcadia to become conference champions for the fifth year in a row, and by holding the longest winning streak in the state at 41 games; the annual Christmas Ball and Junior Prom provided a type of formal entertainment, and informal entertainment was provided by a Christmas program sponsored by the Student Council; the music department gave concerts.

Youth Serving Youth was again in full swing with seniors transferring to the grade school during study halls. Each student who participated in the program felt that they had accomplished a lot in the areas in which they had worked.

Students found time for sports through the year. Baseball, football, and basketball were most prominent throughout the school year. Wrestling, track and curling were also important, and the girls who lettered in gymnastics became members of the Lettermen's Club. Girls Athletic Association was an ever-present after school activity. Most certainly, the Pep Club served a very important purpose--to promote school spirit by making signs and cheering at pep rallies and games. With their special effort, the spirit of G.E.T. was very high throughout the year, and, hopefully will continue to be in the coming years.

take my
hand. . .
follow me
yet if
the light
may blind
you,
remember,
once you
enter nothing
can bind
you. . .
follow me. . .
April Andow

Robert Brenengen's future in the field of agriculture was rich and exciting. He was an active member of 4-H for six years, of F.F.A. and WJDA for two years, and in swine production at home. He participated in both track and football. Robert Brenengen was on his way.

He who can experience. . . sees. . . Kahil Gibran.

We have had many occasions to remember the experiences we shared with Larry Drew. With generosity and knowledge, he tried to be our friend. As a teacher, he brought forth the value of a good education to his students. He said, "never give up, look forward, and keep going on to better yourself."

New Video-Tape Aids in Teaching

ABOVE: Mr. Howard, Superintendent

I would like to take this opportunity to thank the students, staff members, and parents for their efforts and cooperation during our second year of operation as Gale-Etrick-Trempealeau Senior High School. The curriculum revisions that were made in the content and length of courses for this year were successful. Further revisions are being planned by the staff for the coming year in our constant appraisal, evaluation and updating of the curriculum for the benefit of our students.

Through the efforts of the students and staff members,

ABOVE: Mr. Valiska, Principal

our extracurricular and intramural programs were satisfying and successful.

To our seniors in particular, I would like to say, "Good luck in all your future endeavors, and thank you for the contributions you made to the legacy and fame that has been, is now, and will be Gale-Etrick-Trempealeau Senior High School."

Mr. Valiska

ABOVE: SCHOOL BOARD, H. Lyon, R. DeLaney, J. Sacia, J. Beadle, R. Bibby, V. Erickson, B. Evenson.

F.B.L.A. Being Organized

The business department offers the following courses to students: Typing I and II, Shorthand I and II, Book-keeping and a two-hour block Office Education Class. The Office Education class is designed to train students to enter the office labor market immediately upon graduation or to obtain additional secretarial or clerical training at a technical institute.

The organization of a Future Business Leaders of America group is being planned.

The department strives to develop workable skills for a student's personal and future use.

LEFT: Mrs. Hanson
BELOW LEFT: Mr. Birch
BELOW: Mrs. Nerby

French Is Driving Us . . .

The French department offers four years of French beginning at the junior high level with French I and continuing to French III at the senior high level. Students may begin French I at either the junior or senior high level.

On the high school level, the entire curriculum is individualized, allowing each student to work independently at his own pace.

At the end of a four-year program, students will be competent in each of the four language skills; listening, speaking, reading, and writing.

Below: Miss M. Tevis

Above: Mr. R. Solberg

The driver's education course was once again offered to all sophomores and to juniors who had not yet had drivers training. With new textbooks called LET'S DRIVE RIGHT for the classroom course, and a new standard transmission car for the behind-the-wheel training, the students had a better opportunity to learn and experience the right driving procedures for highway safety.

Music Makers

Mr. Rowlands has a variety of musically connected jobs that keep him busy at all times. He plans and directs concerts for both the stage and pep bands. Each student in band is given lessons once a week by Mr. Rowlands. The students come in during their study halls and after school for lessons, and with approximately 85 students in band, they keep Mr. Rowlands on the move. Mr. Rowlands also takes care of the solo-ensemble selections for the spring contest.

A big day for Mr. Rowlands and his band was the day measurements were taken for their new uniforms, and an even bigger day will be the day when the uniforms actually arrive.

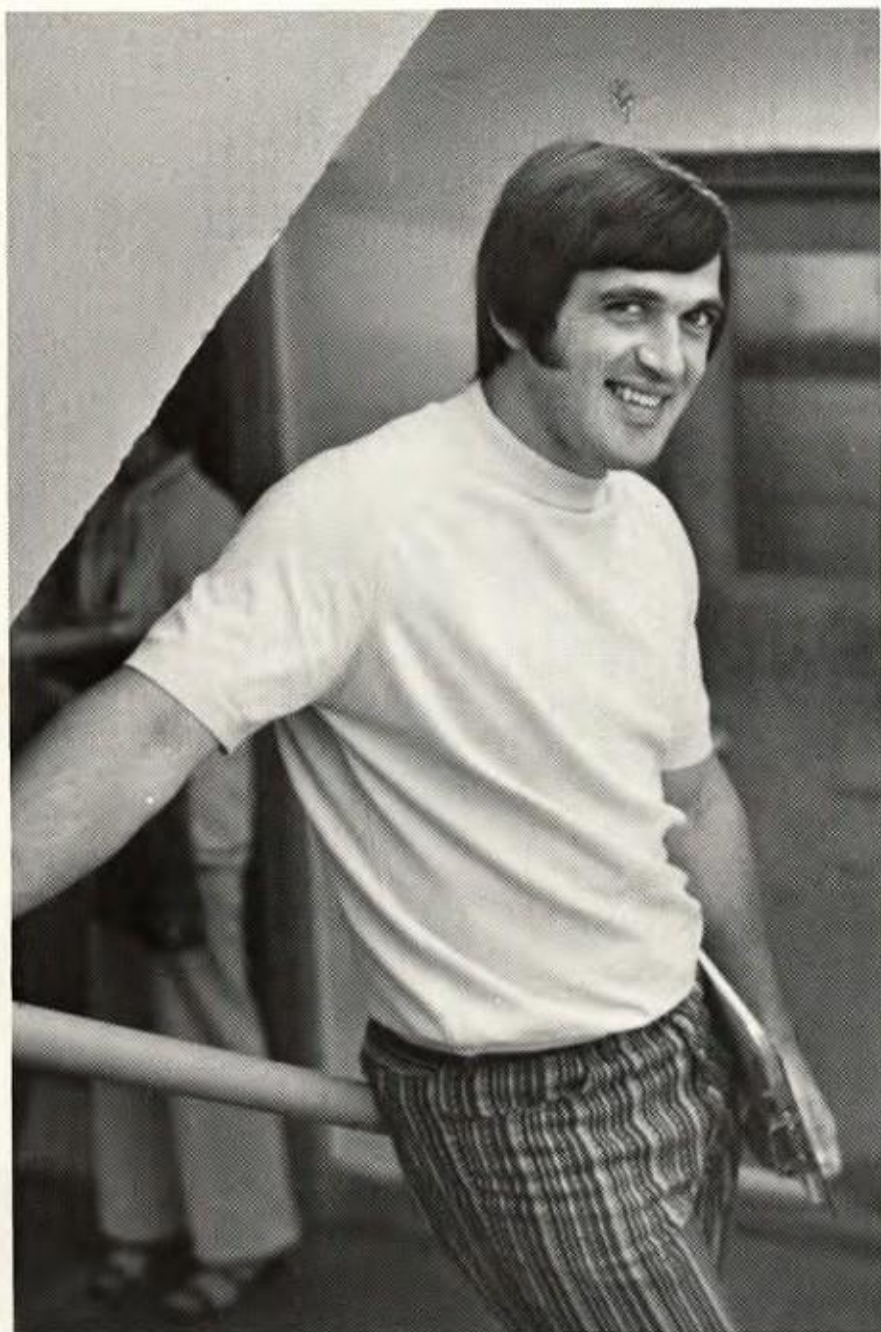

Mr. Swenson is also kept busy. Besides directing the Girls Glee Club and the Mixed Chorus at the high school, Mr. Swenson gives beginner band lessons at the Galesville and Ettrick elementary schools to fifth and sixth graders. Mr. Swenson gives individual voice lessons to several students, and helps students practice their solo-ensemble selections.

LEFT: Mr. D. Rowlands

BELOW: Mr. R. Swenson

P.E. Goes Co-Ed.

The physical education department developed a well-rounded program incorporating more co-educational activities with emphasis on lifetime sports. Some of the new programs offered were social and folk dances, co-educational golf and archery, co-educational gymnastic activities, and bowling. Among those continued and expanded were co-ed curling, co-ed volleyball, co-ed recreational sports (badminton, shuffleboard, ping-pong), broom hockey and ice skating. Extensive units were introduced to the boys in the areas of tumbling, gymnastics and wrestling.

Health was offered this year for freshmen and juniors during the second and third quarters.

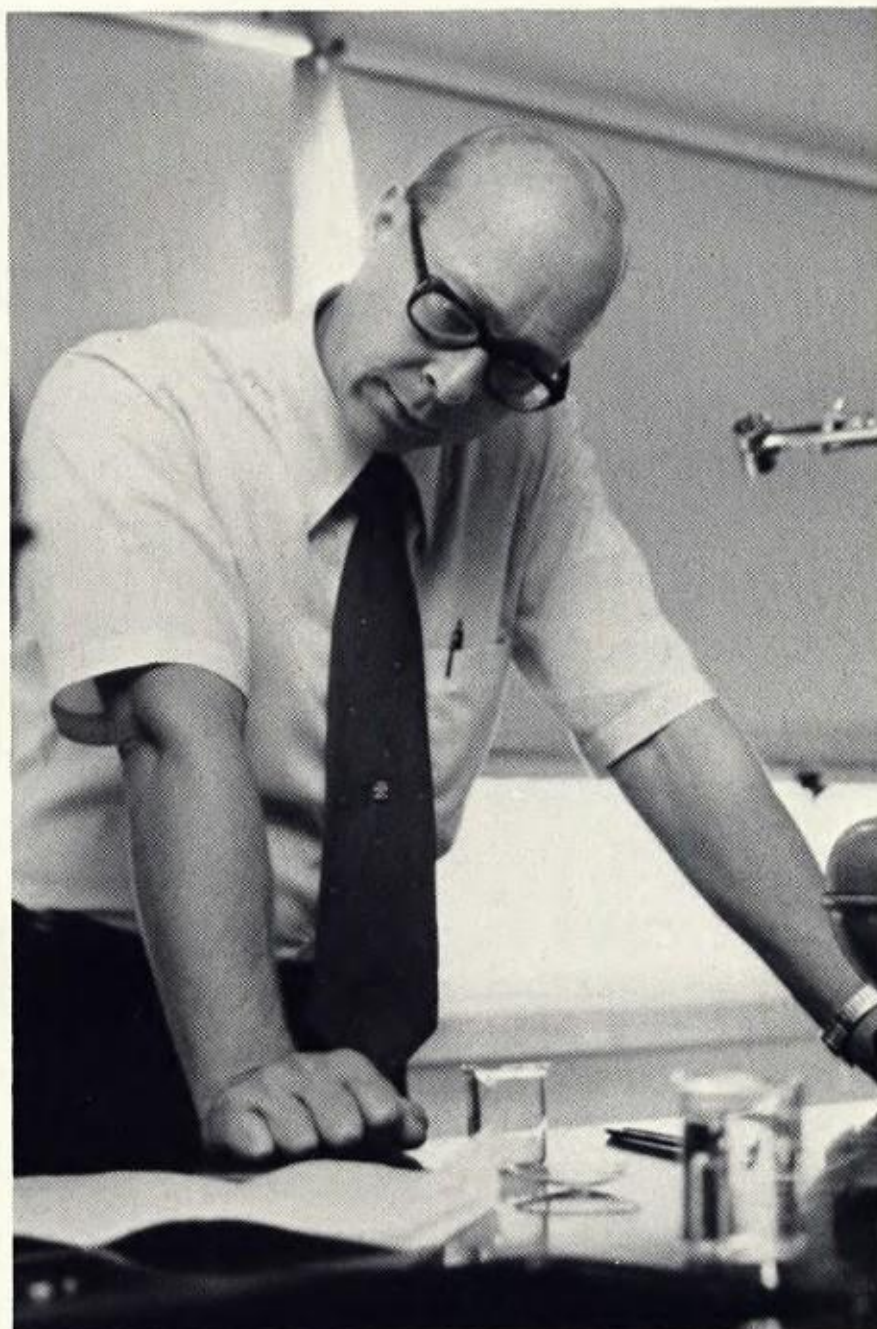

Student teachers in the girl's department were a great help in offering a more individualized and diversified program. These student teachers came from the University of Wisconsin-La Crosse and remained here for one quarter at a time.

UPPER LEFT: MR. D. SKWIERAWSKI

Chemistry II Offered for Seniors

UPPER LEFT: Mr. R. Pampuch
ABOVE: Mr. D. Fitzpatrick
LOWER LEFT: Mr. V. Cecil

Who needs a good science background? Students planning on going into nursing, advanced technical work, or college. The science department of G.E.T. gives that background.

Introductory Physical Science continued to attract students, for almost all students take I.P.S. as freshmen. This course gave students the fundamentals of science and prepared them for future courses. Chemistry II was offered for the first time this year. The course taught semi-micro skills and exactness. With some changes in the biology courses, students may now choose courses more exacting to their needs.

With the new courses and the addition of the laboratory in Room 10, Mr. Fitzpatrick, Mr. Pampuch and Mr. Cecil feel they can offer every student a good basic science education.

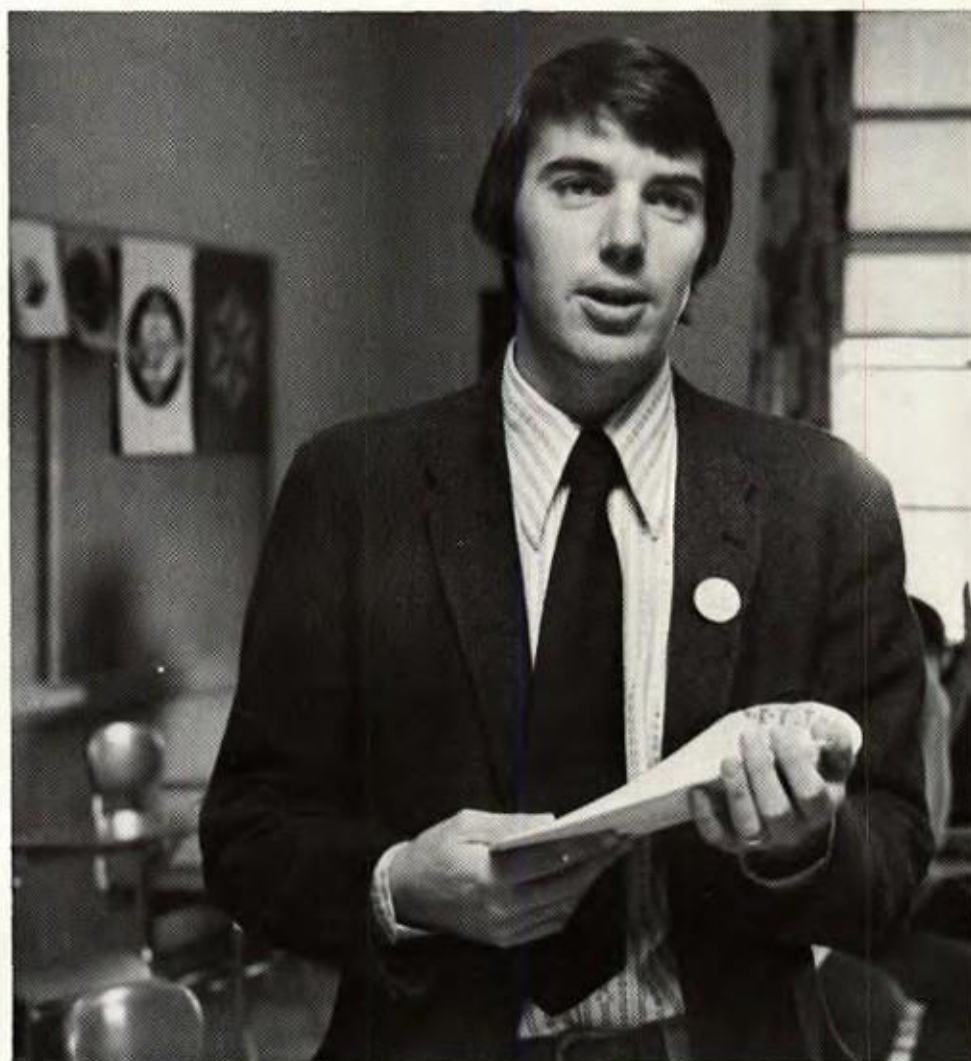

New Course in Applied Math

The Mathematics department expanded its curriculum this year to include Applied Mathematics. This course focuses on the practical application of algebraic and geometric principles to the solution of problems arising in carpentry, auto-mechanics, and other trades.

The Hewlett-Packard computer terminal was retained for another year. An effort was made to encourage other departments to utilize the services of the time-shared system. The software that accompanies the terminal service continually improves, and more is being developed for use in secondary schools. G. E. T. is one of the only 17 schools in Wisconsin to subscribe to this service.

The new video-tape equipment was used this year to produce a television program illustrating the ways in which our school has intergrated computer operation and programming into its curriculum. The computer center, located in LaCrosse, has expressed an interest in showing the tape to its other subscribers and potential customers.

Semester Classes New and Exciting

ABOVE: Mrs. E. Nelson

ABOVE: Mr. L. Costanzo and Mrs. K. Twesme

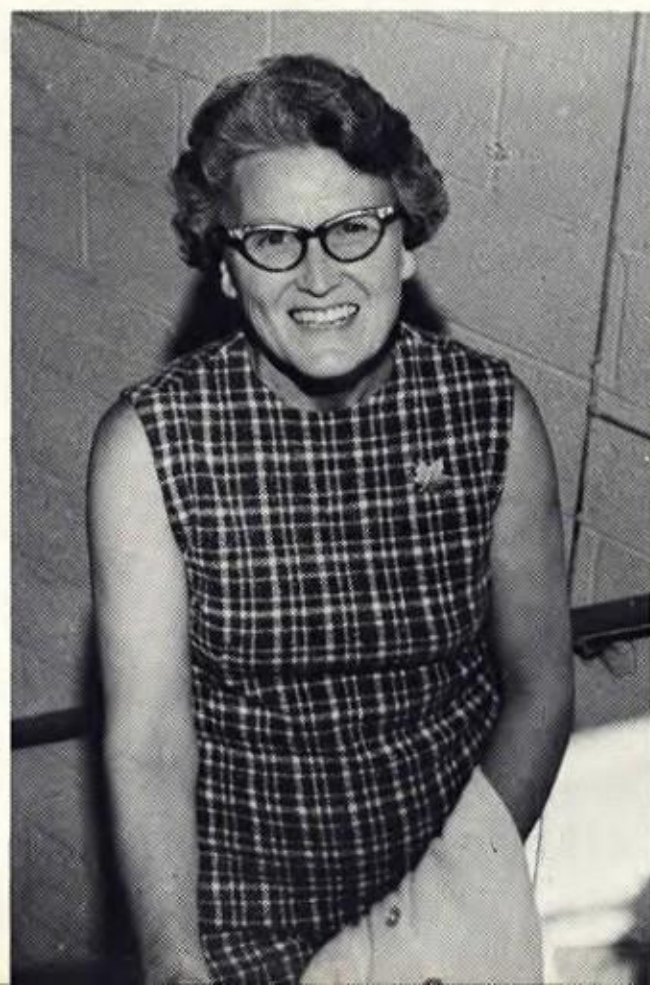

The English department instituted one semester electives in Modern American Fiction, Fiction of Western Civilization, and Reading for College for sophomores, juniors, and seniors. Other semesters electives include courses in speech, composition and literature. Many field trips were scheduled around the course curricu-

lums. After studying the novel OF MICE AND MEN, over 200 students saw the production by the Guthrie Theatre Company. The Vocational Communication class had field trips to W. W. T. I. and to Northern Flexible Products, and the Mass Media class visited the LaCrosse Tribune and WKBT.

BELOW: Miss M. Meyers

BELOW: Mrs. M. Runnestrand

G.E.T. Specialists

The primary duty of the school counselor is counseling, the one to one relationship which facilitates the process of a student's understanding and acceptance of himself, and to use this self-knowledge in developing his potential as a fully functioning person.

Some of the specific duties are; interviewing students, maintaining cumulative records, coordinating testing programs, providing an information service relating to colleges, financial aids, vocational and occupational data, working closely with teachers on student problems, assisting the principal with student registration, assisting students with schedule changes, compiling honor role and class rank, assisting when possible in securing part time or summer jobs for students, assisting students with college or technical school applications and making recommendations to these schools regarding individual students.

Mr. R. Lund

Speech and language therapy is a new edition to the G. E. T. scene. The speech therapy program offers assistance to anyone with a speech, language, or hearing difficulty. It is a remedial program offered to anyone from kindergarten through high school. Students are seen twice a week, if possible, for specific drill work and explanations of speech and language therapy.

Speech and language therapy, on the high school level, is geared towards individual guidance by the therapist. High school students achieve their goals through much individual practice. Speech and language work is voluntary for these students. In this way, any progress is more of a personal accomplishment for the student involved.

Miss M. Henke

The purpose of this special education department is to provide a curriculum for students who benefit most from more individualized instruction. The courses offered are designed to provide practical information which is relevant to the students. Career Education is an integral part of each subject, this being a means to eventual successful employment.

Students may select classes in physical education, home economics, art, agriculture, industrial education, and drivers' education. Those students who are at the junior or senior level are eligible to participate in the Work-Study Program. This program is designed to provide on-the-job training for the students. It is hoped that their work experience will provide them with specific jobs and money management skills in addition to the ability to accept employment responsibilities.

Miss M. Hayes

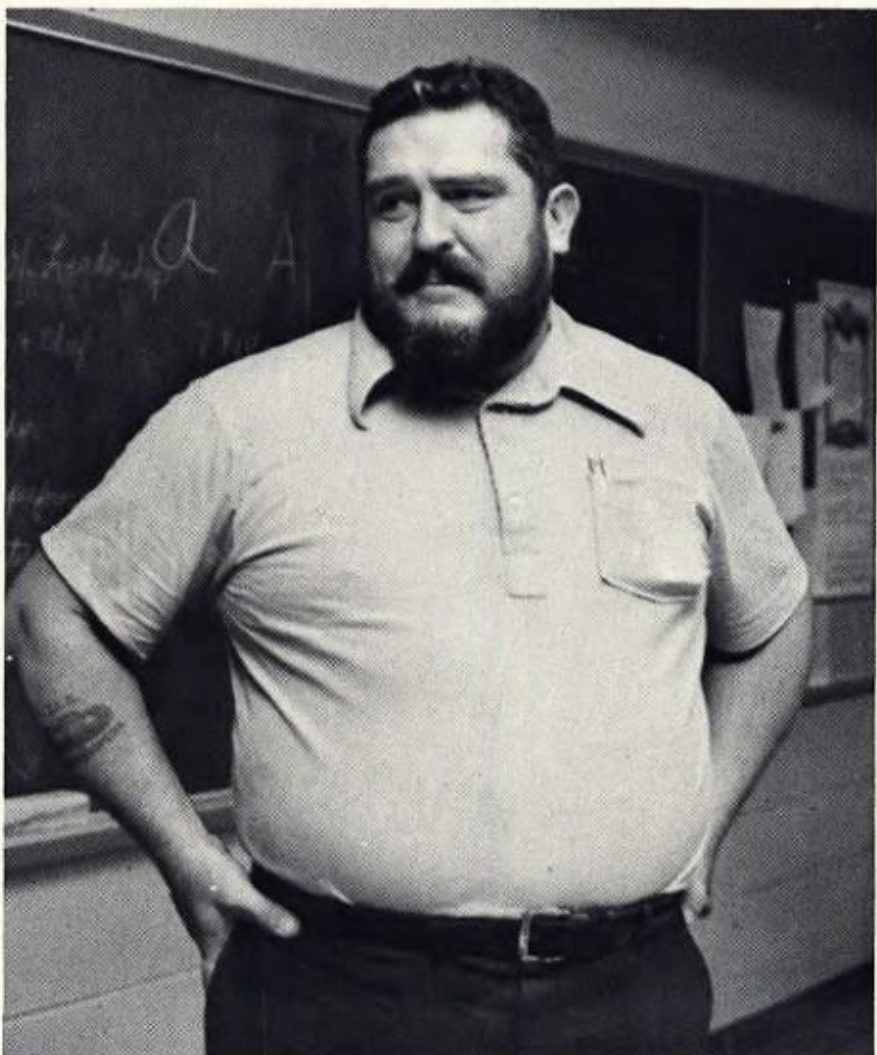

Semester Classes Add Spark

The social studies department implemented a change in the senior social studies requirement by dropping the social problems course and offering four semester courses in its place. All students are required to take two of the following; Introduction to Behavioral Science, Sociology, Consumer Economics, or American Political Behavior Current Affairs.

These courses are taught by Mr. David Lund and Mr. Ed Scheller.

LEFT: Mr. R. Christianson
LOWER LEFT: Mr. E. Scheller
BELOW: Mr. D. Lund

Boys Enjoy Home Ec.

With 45 girls enrolled in Home Economics I, the walls of Room 16 fairly bulged this year. Besides these freshman classes, boys and girls chose semester courses in Foods, Home Planning and Furnishing, Home Management, and Clothing.

During the fall quarter Miss Lynnette McKittrick, a student teacher from University Wisconsin, Stout helped 9th grade gals plan and construct a fashion wise smock. Also started during this phase was a patchwork quilt, a class-FHA project.

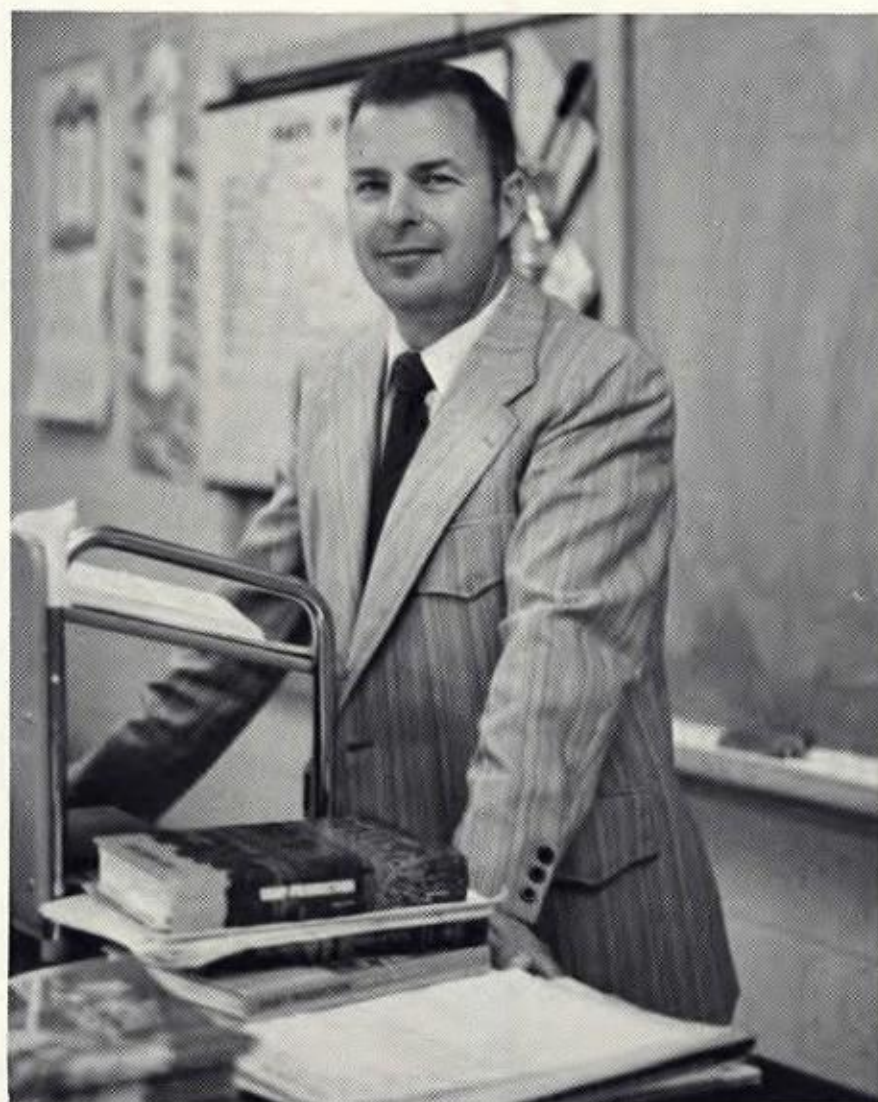

Foods classes during the fall semester were in charge of refreshments for NHS induction. On a dark November morning, five sleepy girls arrived at school at 6:30 a.m. to start the turkey for their simulated "Thanksgiving Dinner".

House plans, color schemes, mobile homes, home nursing, budgets, children's toys, textile fashions and food buying were all a part of the year in the Home Economics department.

RIGHT: G. E. T. hosts fall rally.
LOWER RIGHT: Mrs. Jacobson
BELOW: Mrs. Anderson

Students Learn Basics of Printing

Today's course recognizes the need for training in all areas of agriculture. The freshman course concentrates on opportunities; feeds and judging, soil building, crop morphology and shop safety. The sophomores cover dairy cattle, physiology of reproduction, shop, sheep, swine, and beef. All junior and senior courses are on the semester basis. The juniors the first semester take agri-mechanics, and the second semester is Agri-business. The senior year consists of Agricultural Business Management I the first semester. The second semester is Agricultural Business Management II.

A conservation class of two semesters is taught and an eight week summer ecology and environmental course is offered to all interested students.

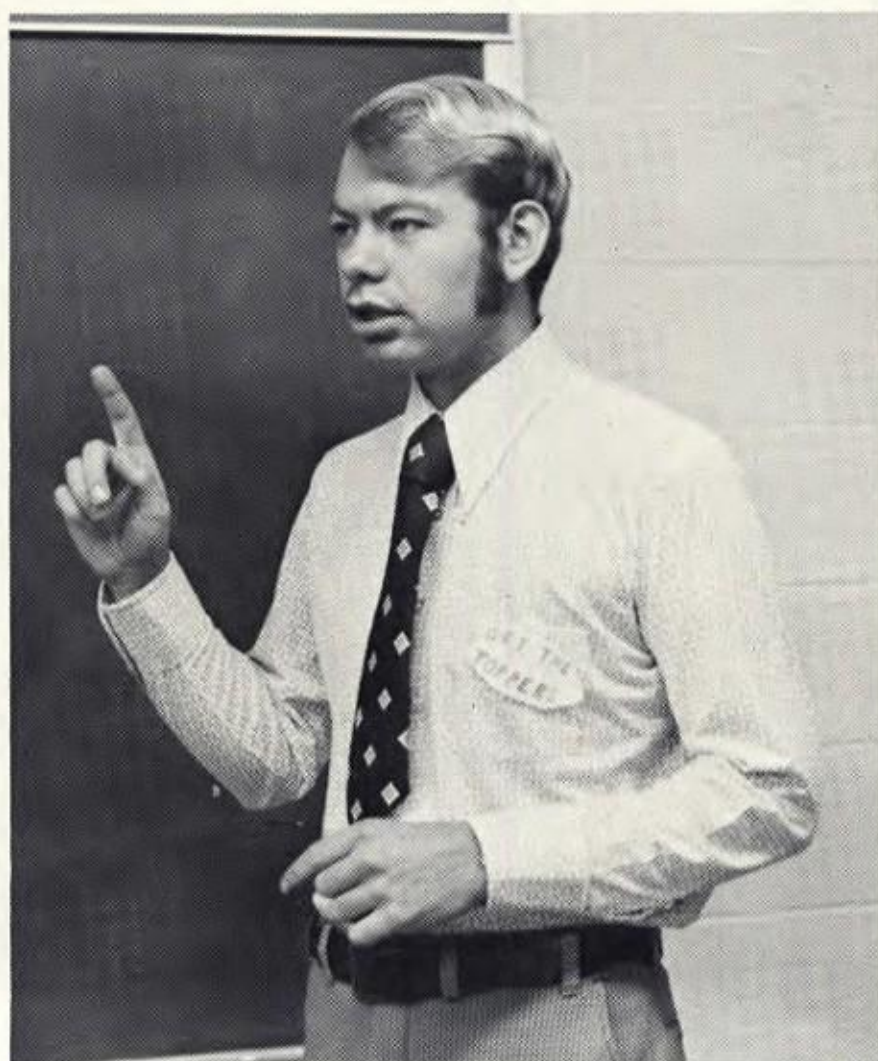

The Industrial Arts Department started the year with many new semester classes. These included: Machine, Metal, and Foundry, Graphic Arts, Power Technology, Electronics, and Cabinet Making. A change was made in the freshman class curriculum to include plastics and basic electronics.

The department had the privilege of having a Graphic Arts trailer from the Western Wisconsin Technical Institute in LaCrosse.

LEFT: Mr. Hendrickson

LEFT: Mr. Prussing

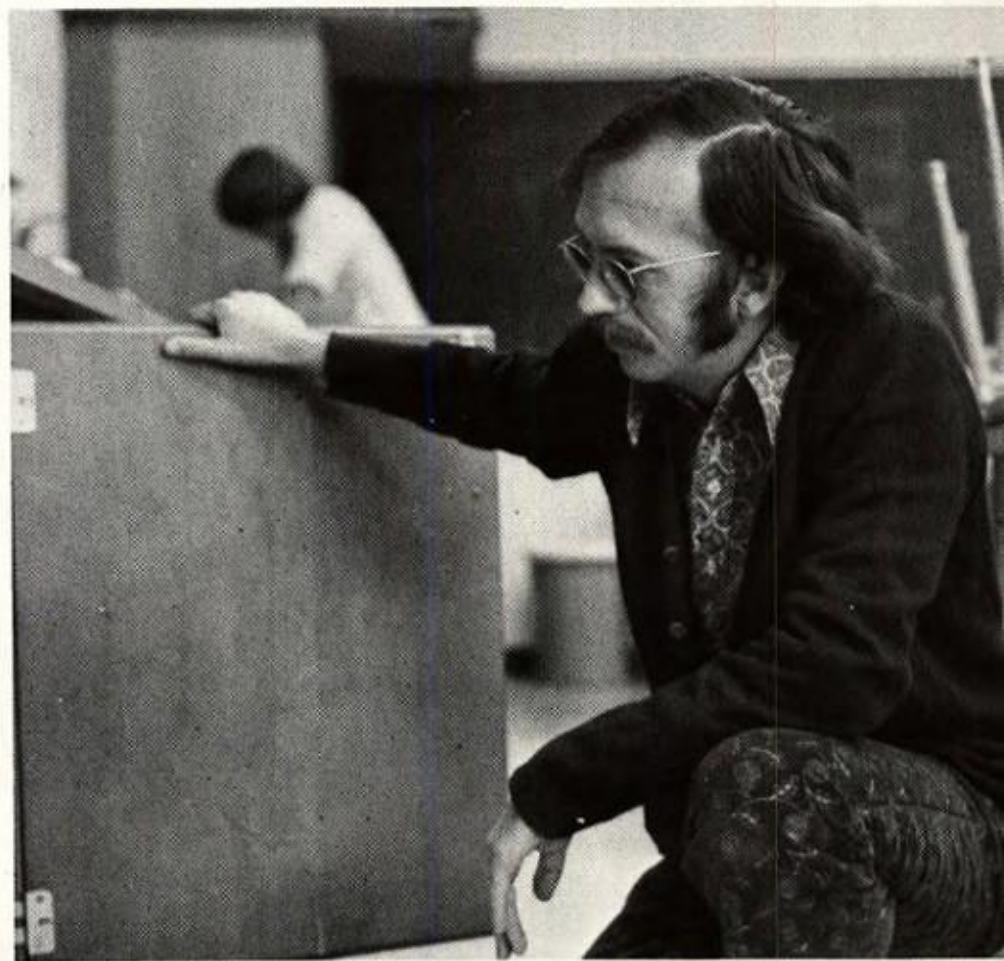

BELOW: Mr. Duellmen

New Ways for New Ideas

The art department made "charisma" second best this year. They trod strange paths from clay sculpture, to cardboard environments, deviating this way and that via tie-dye, candle-making, painting, and raku. The silkscreen of Diane Daffinson, the jewelry of Wendy Herman, the macrame of John Biesen, and the pottery of Mike Wunsch were but facets of a many-sided discipline.

Two completely new areas of concentration were jewelry and raku. Sculptural jewelry as well as traditional jewelry was offered. Raku, the Korean art of making ceremonial tea ware, was introduced during the spring quarter for all art students and interested spectators. Raku ware is characterized by its spontaneous nature and its lustrous glazes.

ABOVE: Mr. F. Green

Educational philosophy today recognizes an educated individual as one who has learned how to learn, as opposed to one who has memorized facts. To meet this need is the goal of the G. E. T. Library. It is here that the student should find the facilities and atmosphere needed for individual learning and independent study. During the past several years efforts have been made to introduce various media to the basic library collection. Non-print materials such as cassette tapes, disc recordings, filmstrips and eight millimeter film loops have this year for the first time been inter-shelved by the Dewey Decimal System with books on the regular shelves. In this way, all materials on a given subject are shelved together for the convenience of the students.

Our microfilm library has grown to include Newsweek magazine as far back as 1941. Student librarians have improved the size and quality of the vertical file holdings by adding current clippings, pictures and pamphlets.

Student-librarians working toward a minor in library science at the University of Wisconsin - La Crosse, worked with Mrs. Twesme in the library both semesters this school year.

Mrs. Twesme, librarian, attended summer school at the University of Wisconsin - La Crosse, where she is enrolled in the audio-visual education graduate program. Now that the library is no longer just books, a wide knowledge of all types of media is essential to good librarianship.

Redmen Win 41

What a season!! The 1972 Redmen faced a great deal of adversity in the form of injuries and some very strong opposition. Three times during the season this team had to show its character by battling from behind. They met every challenge in the manner of true champions. The G. E. T. winning streak has been extended to 41 games thanks to another 8 wins and 0 losses season.

Fran Peterson directed a balanced attack that outscored the opposition 200 to 53. Ken Casey and Bob Harris provided good blocking and receiving at the end positions. Tom Hunter, Pat Scheller, Dan Docken, Dan Baer, Mark Olson, and Terry Smith provided speed, strength and depth at the running back positions. Darcy Remus, Tim and Jeff Hauser, Todd Johnson, and Paul Halderson tore some gapping holes in the defense for our backs.

The defense was featured by a big strong line with Bart Near, Paul Halderson, Tim Bailey, Lonnie Krackow, and Todd Johnson usually starting and Tony Eichman, Gary Nicolai, and Darcy Remus seeing action in reserve roles.

Tim Hauser and Irv Diamond provided strong line-backing for the Redmen.

Tom Hunter, Mark Olson, Dave Salsman, and Terry Smith provided a pass defense that was sometimes

dented but seldom broke. Pat Scheller and Guy Leavitt provided good depth in the secondary.

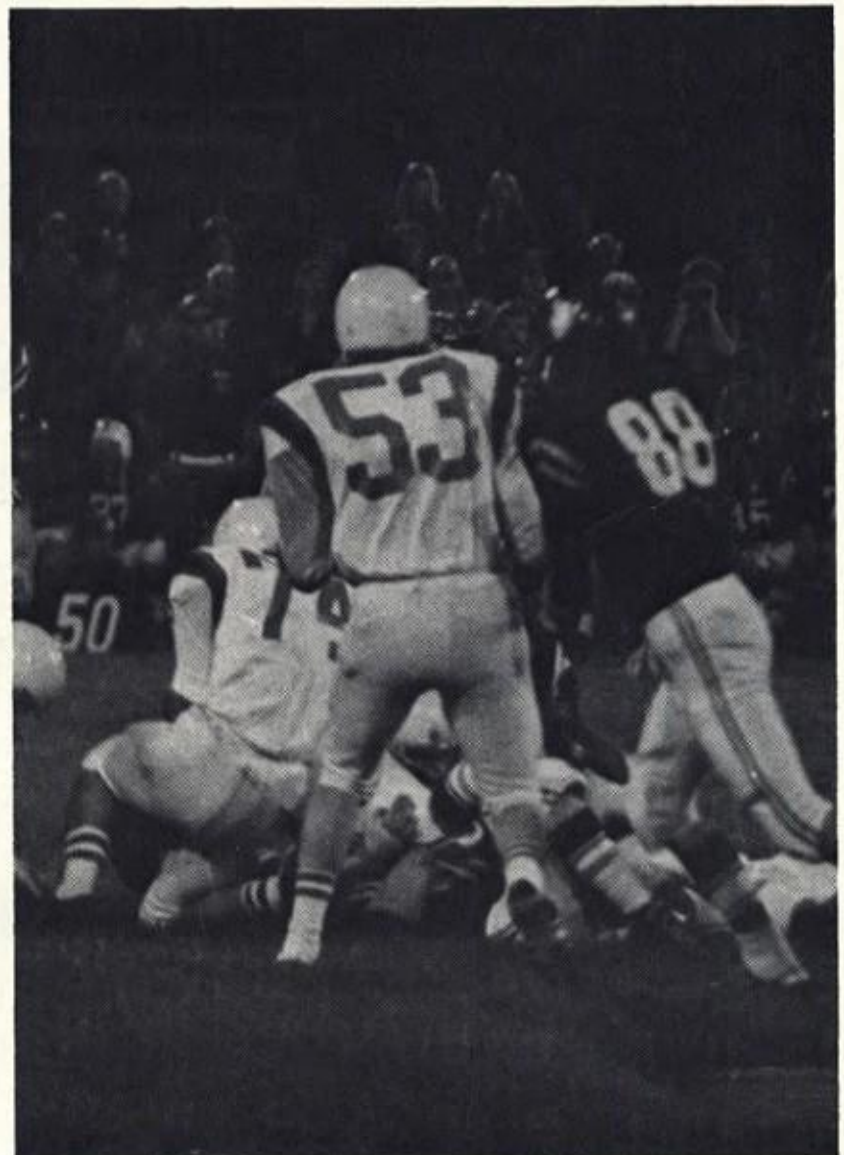

Twenty-one seniors finished up their high school football this year but hopefully the return of 13 lettermen in 1973 will provide a good nucleus for another strong Redmen team.

Junior Varsity Teams

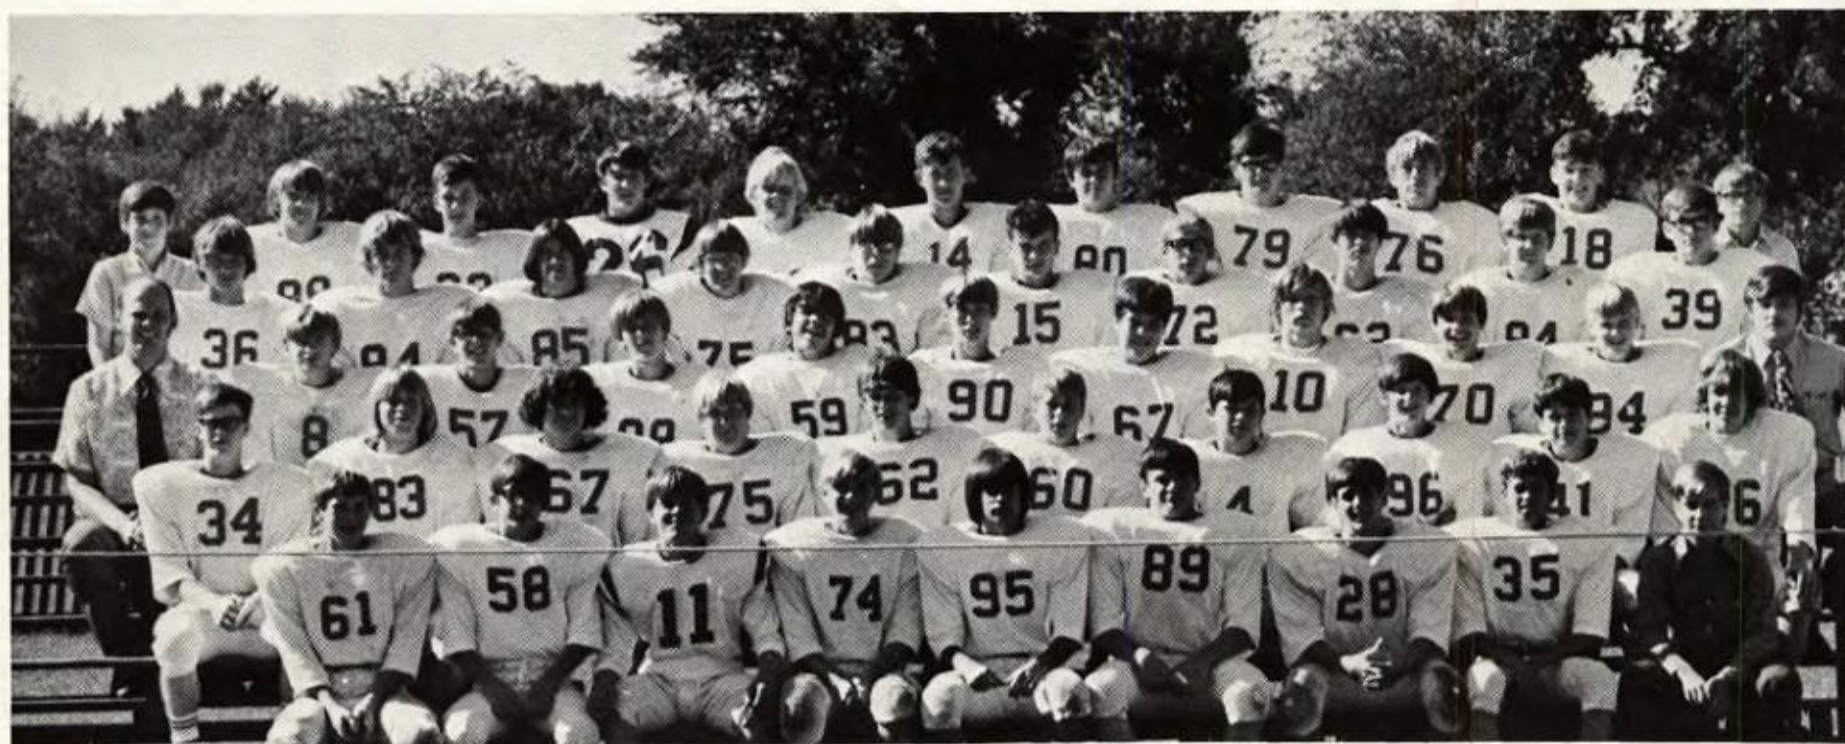

This years Junior Varsity basketball team has progressed well. Their desire to win and their aggressiveness has more than made up for some inadequacies in skills. This years team has thirteen members; 2 juniors, 10 sophomores and 1 freshman. With one game to go G.E.T. is sporting a twelve and five record and is anticipating a victory in their final meeting with Melrose-Mindoro.

The freshman basketball team concentrated on learning fundamentals and a man-to-man defense while compiling a 5-4 season log. This year's squad exhibited depth, height, and fair quickness, promising a strong nucleus for a competitive varsity unit in 3 years. Individual scoring was well balanced with Bob Jazewski, Rich Weyant, Ryan Solberg, Bob Baer, Mike Kiedrowski, Mike Nichols, and Ken Sahlstrom all contributing steadily on offense. Defensively, Jick, Solberg, Weyant, Sahlstrom, Nichols, and Jessesky displayed the most improvement adjusting to the man-to-man defense.

Although playing before few fans, the spirit and hustle of the young Redmen was impressive throughout the season.

This was a very successful year for the J.V. football team. They won five out of seven games, winning the last four in a row. The team consisted of a large number of talented and strong sophomores along with quite a few promising freshmen. This group of young men will assure our high school of having more great varsity football teams in the coming seasons.

Redmen Grab Second

Redmen Varsity Basketball 1972-73

The Redmen began the 1972-73 season as defending champions. Although we failed to defend our championship, this year's team fashioned a very respectable record.

This year's team featured a superb defense and outstanding rebounding ability. We allowed 45.5 points per game while scoring at 58.8 average.

Ken Casey, Randy Larson, Fran Peterson, Lee Schubert and Paul Williamson comprise our starting unit and are capably supported by front line reserves Nick Bell, Dennis Reincke and Bill Stephen. Keith Back, Kevin Back, Bob Harris, Steve Hovell, John Olson, Larry Stuhr, and Kurt Wood rounded out the squad.

ROW 1: R. Aasland, R. Tranberg, R. Aasland, Mr. Lund. ROW 2: L. Stuhr, S. Hovell, N. Bell, B. Stephan, K. Wood, P. Williamson, L. Schubert, J. Olson, D. Reincke, K. Casey, R. Larson, K. Back. Not Pictured: F. Peterson, K. Back, R. Harris.

Wrestling Team Places

The 1972-73 Redmen Wrestling team had what could be called a good, "building for the future" season. The wrestlers worked very hard and grew to be a very proud and close-knit group. The accomplishments of this very young team were very good considering that six out of the starting twelve wrestlers were first year wrestlers with little or no experience.

The Redmen wrestlers were more of a tournament team than a dual match team finishing second in the Redmen Invitational, sixth in the Melrose-Mindoro Invitational and seventh in the Regional tournament.

In dual match competition the wrestlers won four matches, lost nine and tied one. Some of the matches that the Redmen lost were much closer than the final team scores indicated.

Team Captain Tim Hauser and senior teammates Gary Mickelson and Paul Halderson posted the best individual won-loss records. Other individuals with .500 or better records were juniors Craig Ouellette, Jeff Hauser, Bob Niederkorn and sophomore Dan Uhl.

Outstanding accomplishments were put in by Tim Hauser, taking second at the regionals and third in the sectionals and Gary Mickelson being named first team

all-Coulee Conference 138 pound wrestler, and Paul Halderson being named second team all-Coulee Conference.

Although there were not enough wrestlers out in order to field a Junior Varsity team, there were some J.V. wrestlers that worked hard all year and gained a lot of valuable experience. Included among J.V. wrestlers were Dave Ryder, Wayne Baird and Paul Baird.

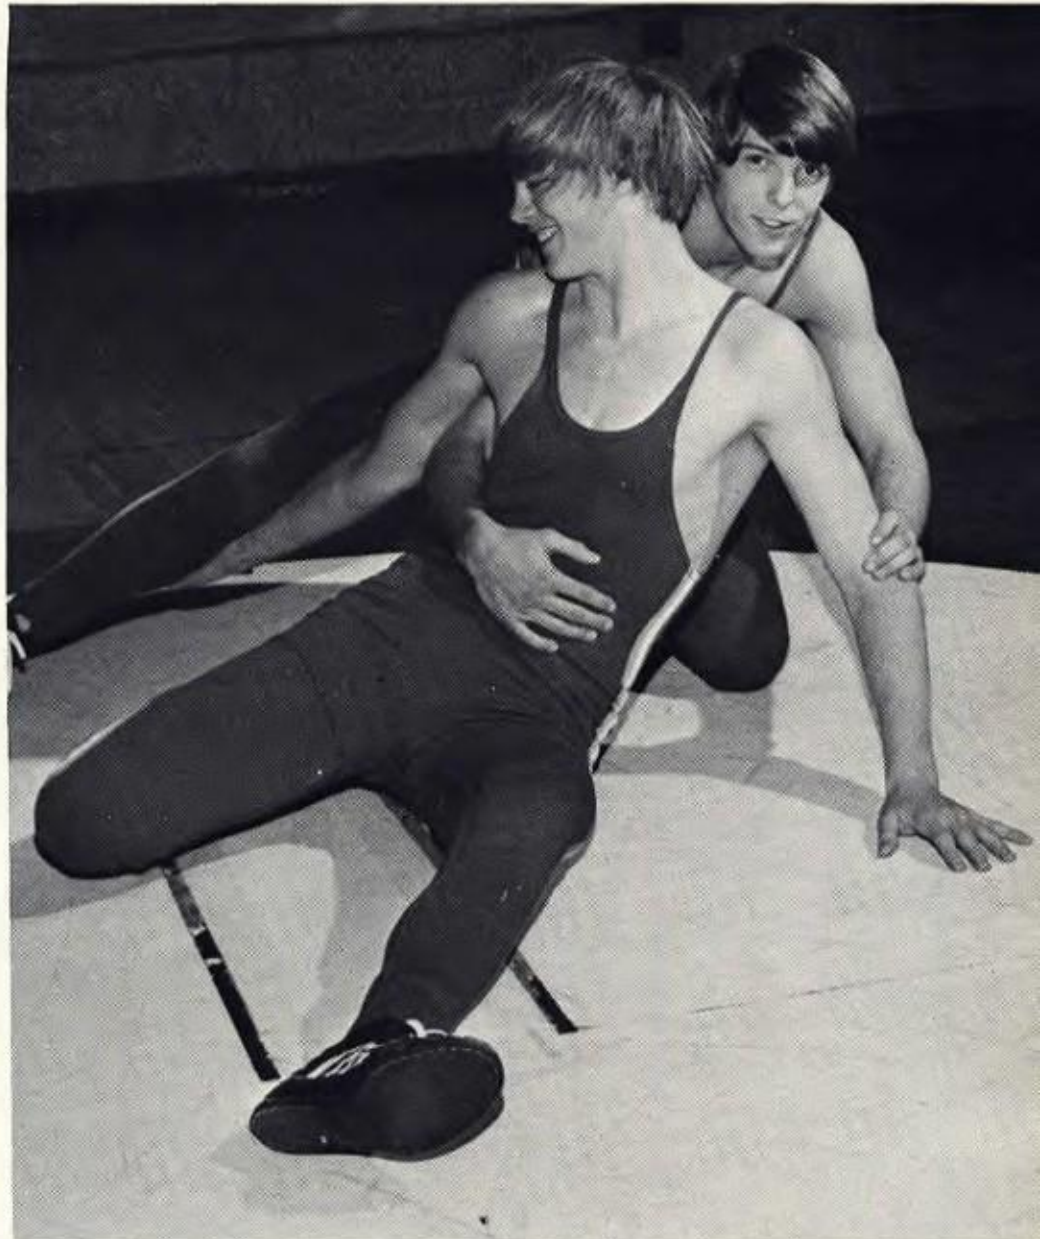

With the sport of wrestling gaining much interest in our school, we are looking forward to a large turn-out of boys in 73-74.

A Young Team Shows

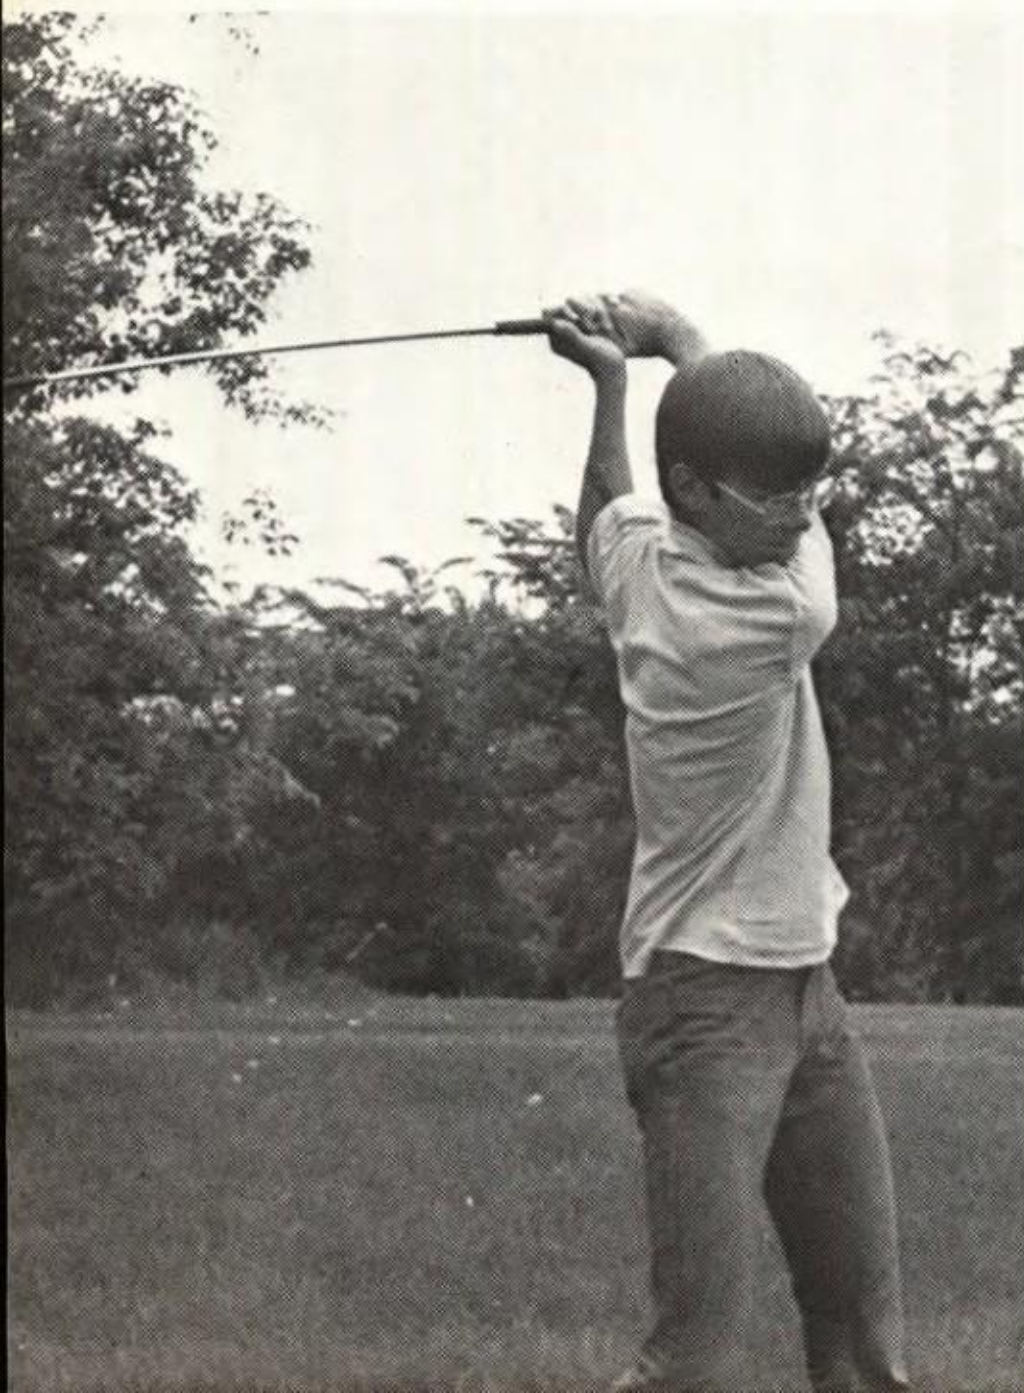

Our 1971-72 golf team was a young team. The only senior, Mark Bailey, and five juniors made up the nucleus of our varsity. They were Mark Severson, Paul Williamson, Pat Flaherty, Jeff Wagner, and Lonnie Wagner. There were only two sophomores out, John Elstad, who played varsity most of the time, and Bob Niederkorn. Some freshmen who played a few varsity meets were Don Osborn, Dan Severson, and Todd Cook. Rounding out the team and junior varsity members were Mike MacDonald, Steve Smith, and Scott Kopp.

In the conference matches, G. E. T linksters were very consistent in their performance. Never placing less than fourth, which only happened once, and finishing third twice and second twice in our five conference matches. Points were awarded on a 14-12-10-8-6-4-2 order with G. E. T amassing 52 total points, beaten only by West Salem.

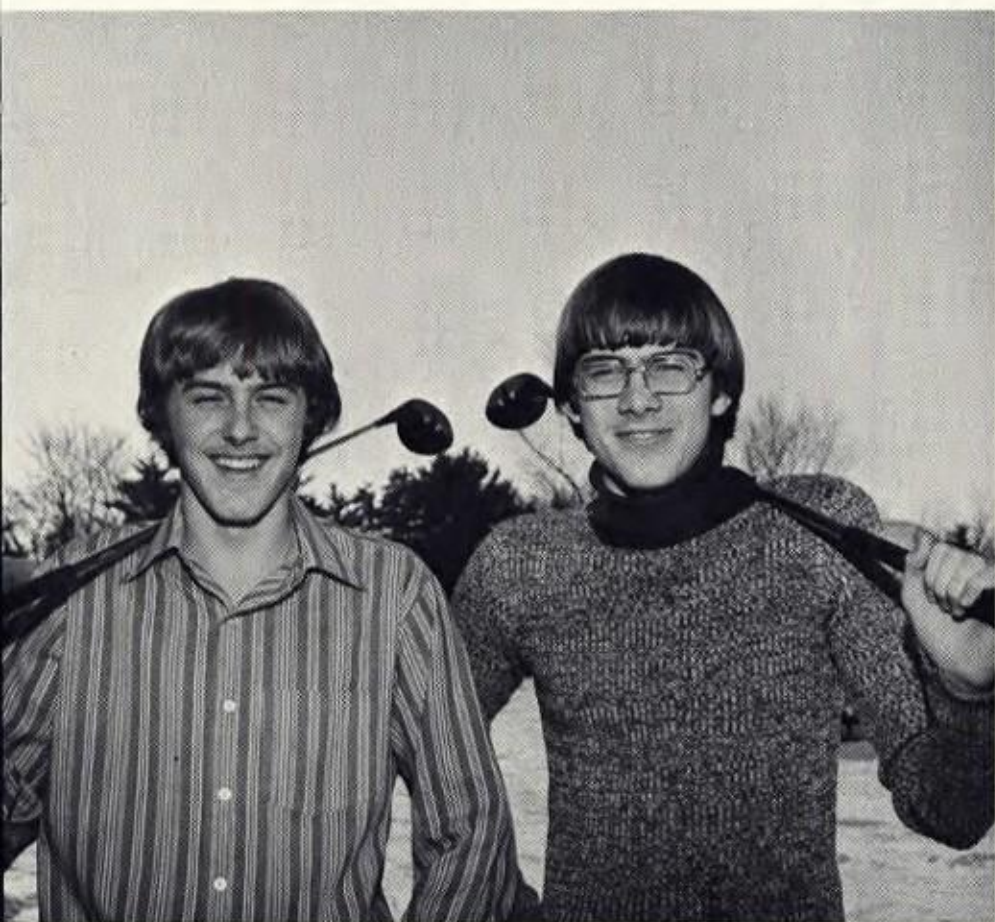

At the regional, held at Whitehall, this young team placed third, only one place away from going to the sectional. I think our team shows great promise and we expect they will be tough in the future.

Baseball Team Goes

The 1972 Redmen got off to a slow start losing three of their first eight ball games but came on strong to play their way into the state tournament. This is the first time a G. E. T. baseball team has ever played in the state baseball tournament. The team finished third in the Coulee Conference with a 10-4 record and wound up the season with an over-all record of 15-5.

Wayne Meunier, Kevin Hunter, and Ed Przytarski were the only seniors on the ball team. Meunier pitched and played right field, Hunter caught, and Przytarski played center field.

Ken Casey, Dave Salsman, Jeff Wagner, and Larry Stuhr were the mainstays in the infield with Fran Peterson and Wayne Henderson completing the outfield. Steve Hovell did an excellent job behind the plate for several ball games when Hunter was injured. The Redmen again featured a strong pitching staff headed by Clayton Dahl, Bill Stephans, Wayne Meunier, and Fran Peterson. John Elstad, Lonnie Wagner, Nick Bell, and Todd Johnson rounded out the squad.

The 1972 ball team was not characterized by a lot of outstanding individuals but rather was a dedicated group of athletes that had a fantastic ability for getting the big hit or making the big play in the field. We are all very proud of the 1972 Redmen baseball team and wish them continued success in 1973.

The junior varsity baseball team had a fine season winning nine games and losing four. The young Redmen will be challenging the upperclassmen for positions next year.

Track Team Excels

TRACK

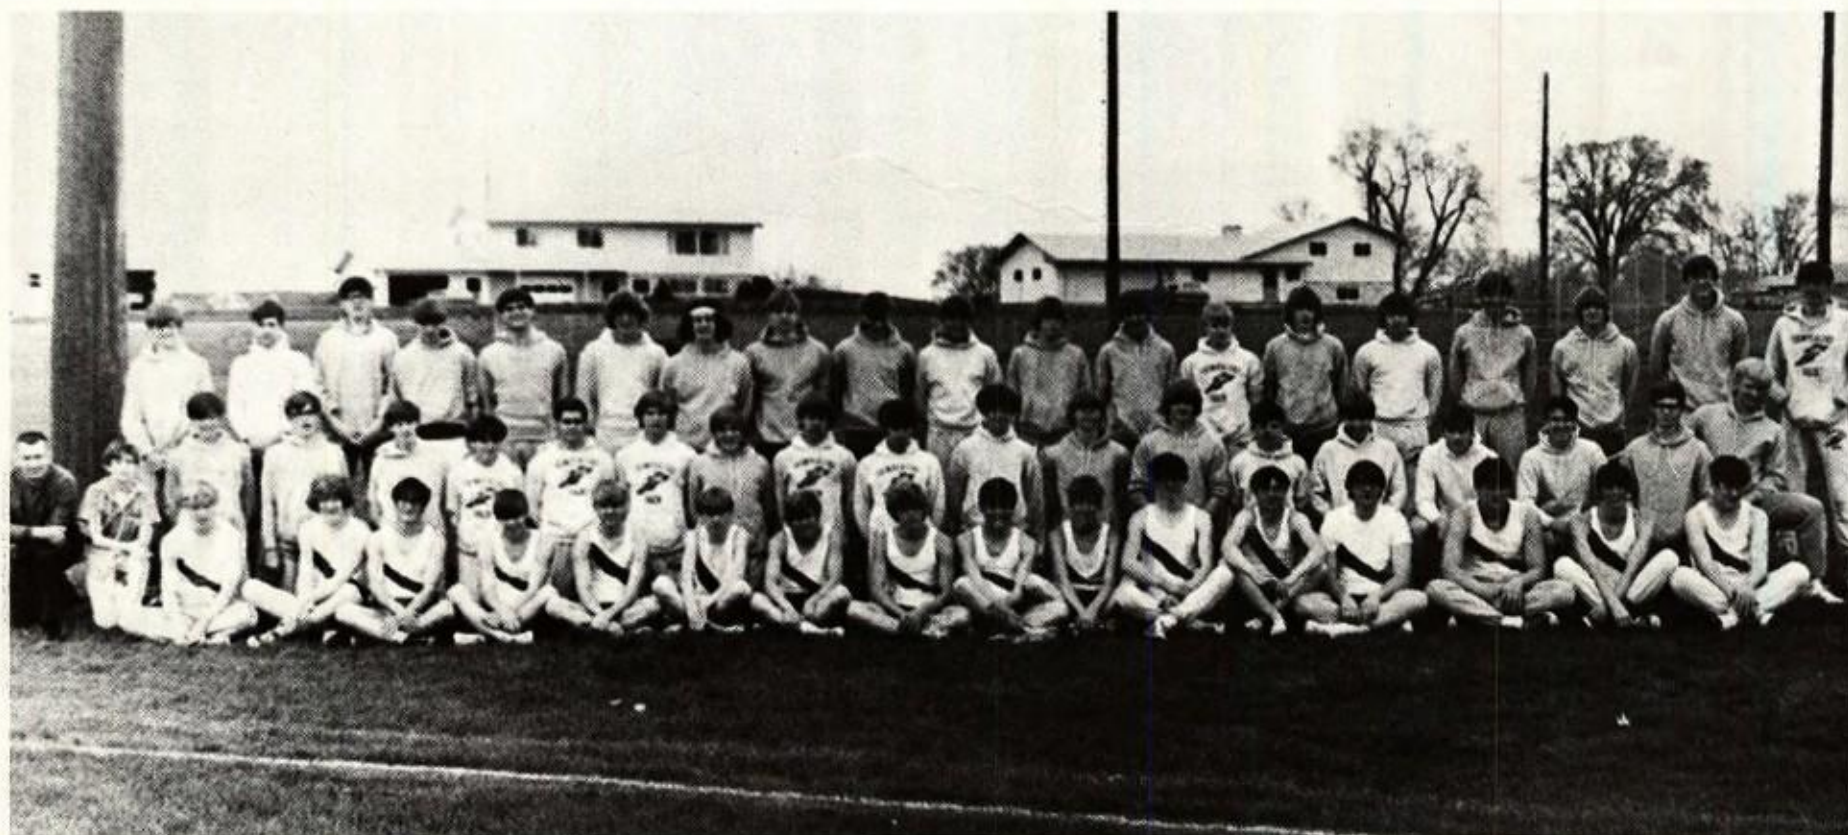

The G. E. T. Track Team had another good season competing in 4 triangular meets and two dual meets. The Redmen came in second place in the Trempealeau County Meet, 8th in the Knights of Columbus Relays, 2nd in the Holmen Relays, and 6th in the Red Raider Relays.

The freshmen and sophomores showed their strength by taking 2nd place in both the G. E. T. Double Invitational and the Coulee Conference Meets, while the juniors and seniors placed 3rd and 6th respectively.

Winning 4th in total number of points at the Regionals, and 8th in the Sectionals, the Redmen showed they were still willing to fight. Two relay teams were entered in the state meet. They were: Bob Harris, Dan Baer, Kurt Wood, and John Byom running the 880 yd. relay and the same team ran the mile also.

With the juniors and seniors pushing hard, and the freshmen and sophomores right beside them, our thin clads showed their determination, and strength and carried away a successful season.

LEFT: On your mark, get set, go.

A new fall sport, cross country, was added to the G. E. T. extra curricular activities program. It consists of a 2 1/2 mile, up and down hill, distance run.

Four seniors, two juniors, and four freshmen rounded out the squad of ten boys who tried it for the first time. A team of seven boys ran for the five best efforts to count for the school score. The team was coached by Richard Pampuch.

The team ran in 11 meets, including the Logan Invitational, Brookwood Invitational, Coulee Conference and Regionals. Little success was achieved by team effort, but individuals improved a great deal. The best performances were turned in by Paul Williamson (13:43), Kurt Wood (14:07), Greg Ouellette, and Ed Stull (15:02), Jeff Wagner (15:30), and Keith Ouellette (15:53).

Due to heavy rains, meets were run in French's field, instead of the golf course. G. E. T. hosted the first Coulee Conference meet. The results were: First--Onalaska (33), Second--West Salem (34), Third--Holmen (63), and Fourth--G. E. T. (98).

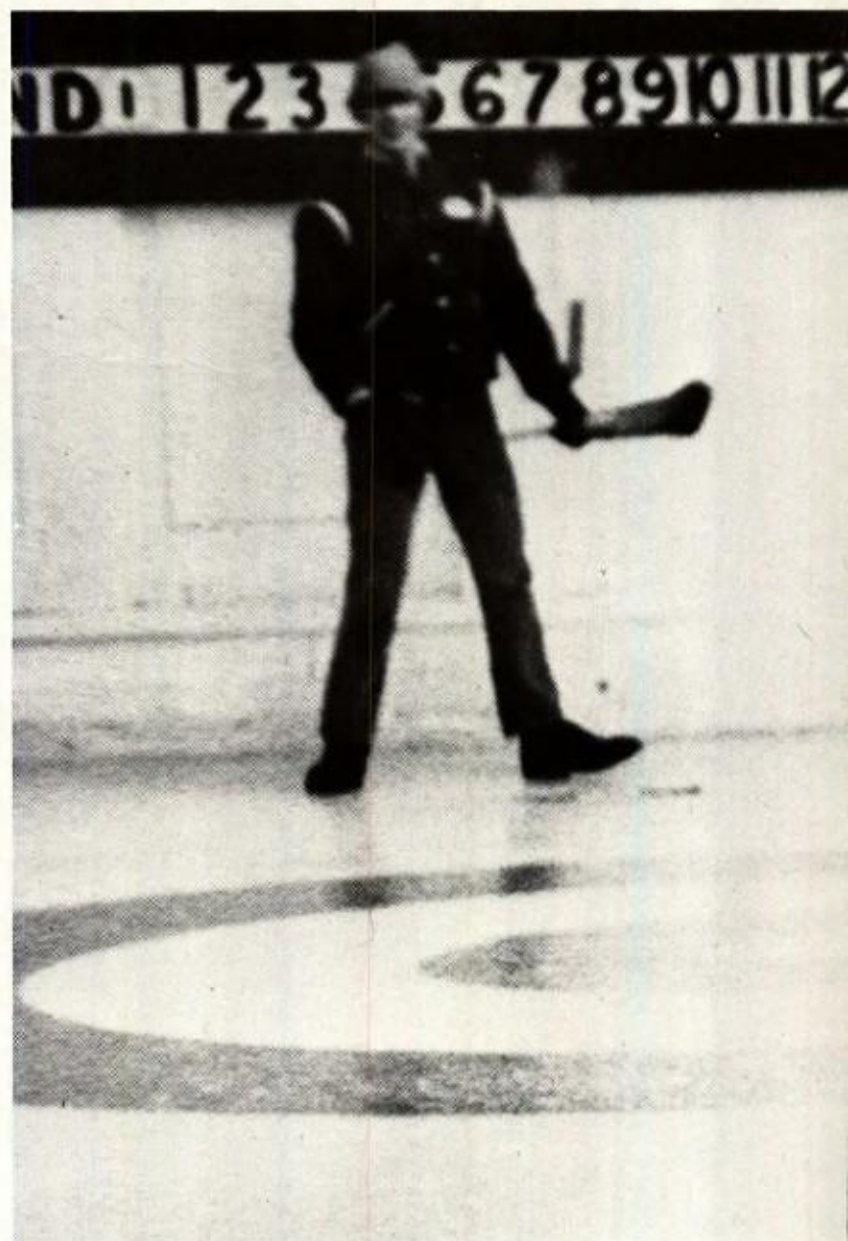

New Experience Gained

Coach Duellman held the first curling practice December 13 with nine seniors and eleven underclassmen reporting. The first curling match was held January 6. The team participated in the Mid-Wisconsin Curling Conference. Their conference record was three wins and five losses.

The team also participated in the Wausua Invitational, the conference bonspiel, and the sectionals at Medford.

G.E.T. Scores High in

The gymnastics team numbers 22 members with representation from all classes. This year's team worked with a corp of seven returning lettermen, including Captain Katy Twesme.

The team participated in seven interscholastic meets plus the regionals, two of these being home. These meets include competition on the balance beam, uneven parallel bars, side horse vaulting, and floor exercise in both the beginning and intermediate levels. The girls must participate in all but one meet and earn points (determined by placement) to earn their letter and patch.

New leotards and warm up suits added color to the team appearance.

Gymnastics is a sport of tremendous grace and beauty. Jane Trim, Delaine Hoff, and Cathy Guthrie display this beauty as they perform floor exercise.

GYMNASTICS TEAM:

ROW 1: P. Trim, B. Johnson, C. Guthrie, C. McBride, K. Mesaro.
 ROW 2: C. Glowchewski, L. Stegemeyer, B. Williamson, L. Grover, H. Folkedahl.
 ROW 3: D. Anderson, J. Hilton, J. Hansen, M. McKeeth, J. Trim.
 ROW 4: D. Hoff, K. Twesme.
 ROW 5: L. Nelson, S. Ofsdahl.

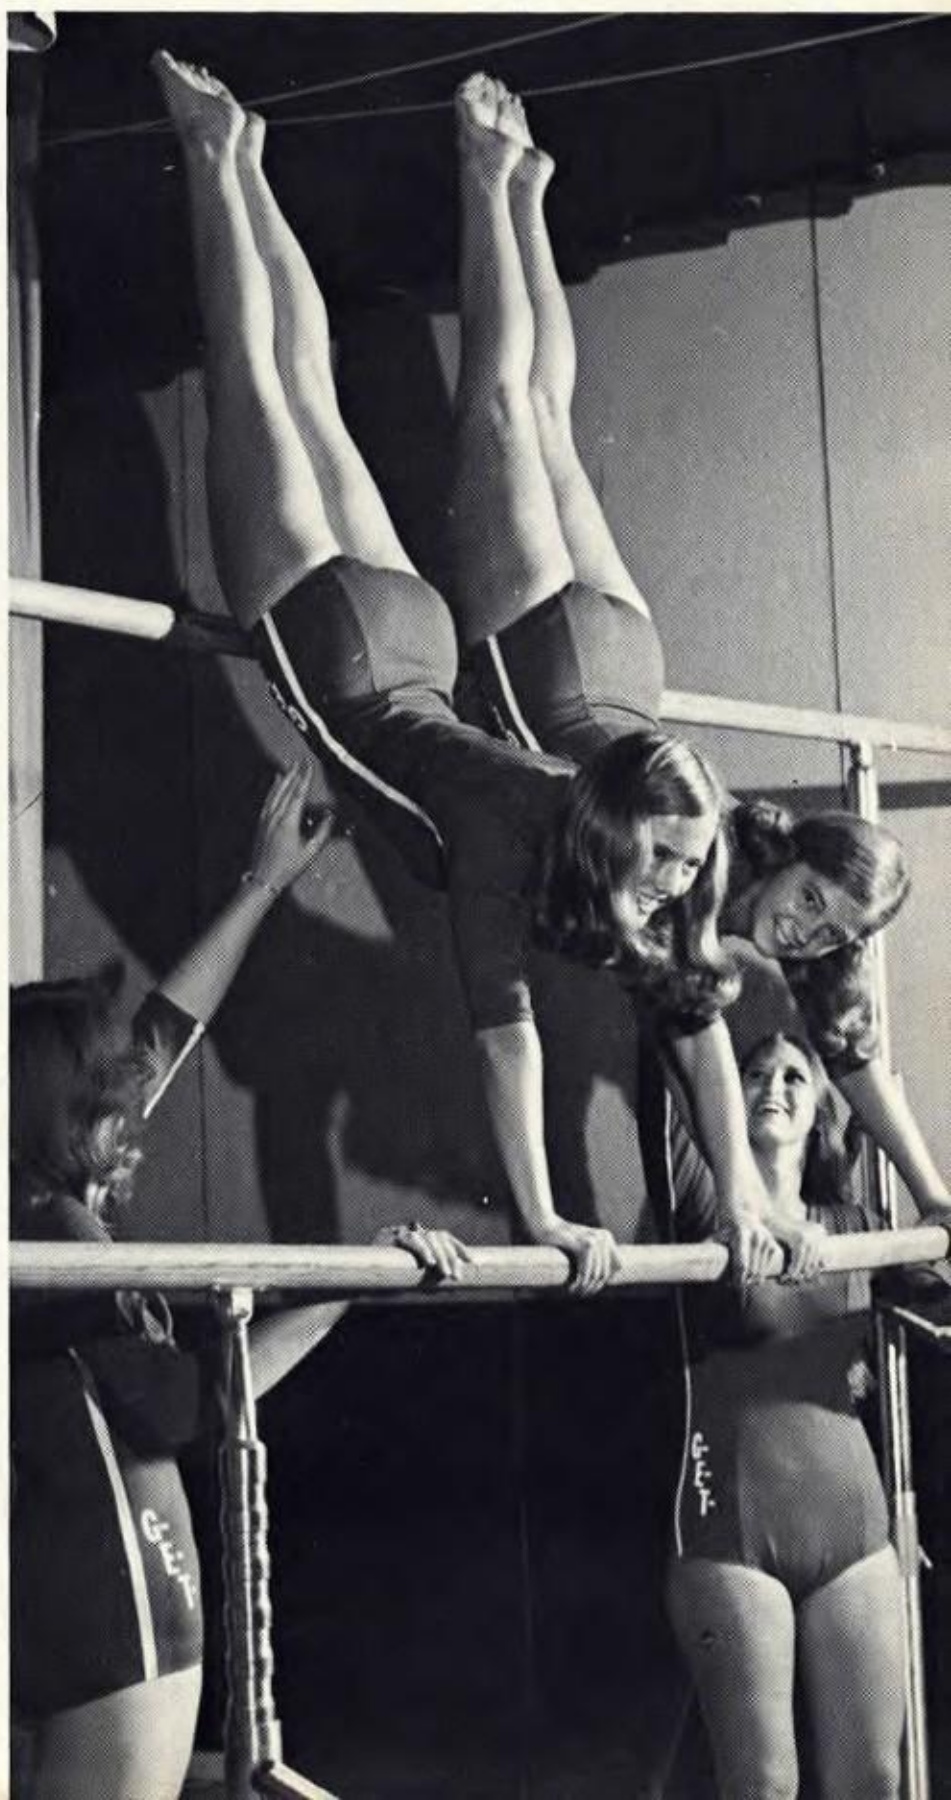

Gymnastics Competition

At the LEFT, Linda Nelson and Betsy Johnson perform with great coordination on the balance beam. As they competed on this piece of equipment, many victories came their way.

BELOW are Jannet Hilton, Shawn Ofsdahl, Katy Twesme, and Desiree Anderson practicing their individual routines for competition.

Womans Lib Is Now

LETTERWOMEN

Last year's gymnastic team presented our school with its first girl lettermen. The gymnastics team is an interscholastic athletic team governed by the same body (W. I. A. A.) that rules the boys interscholastic sports. These girls must be in top physical condition as attested to by a physician before they can report to practice. These girls must maintain passing grades in all subjects or be suspended from participation. The girls on the team must read, know and follow the same athletic code as set by the athletic board for the boys sports.

High standards are set by all coaches in order to earn the letter in their particular sport. We feel the girls who earned their letter have achieved and maintained the high standards of the athletic program.

LETTERMEN

Our membership is about fifty boys. We express thanks to the adults and students who help support our organization.

As in past years the Lettermen's Club is selling refreshments at the basketball games. The money that is earned is used for buying letters and emblems for the athletes of G. E. T. It is also hoped that we can buy some video tapes for our athletic department. One of our long range plans is to raise enough money to purchase a portable gym which could be utilized by both girls and boys.

Queen Penny Nichols and

Centered around the theme "Wonderland by Night" the Class of '73 transformed the gymnasium into a romantic setting where couples danced and enjoyed the music of the Frank Rollins Band. Kurt Wood and Penny Nichols reigned as King and Queen and were attended by Irv Diamond and Carla Emerson, Bob Harris and Katy Twesme, Tim Hauser and Kathy Rand, Mark Olson and Peg Wojciechowski, Darcy Remus and Pam Sacia, and Mark Severson and Carol Wilber.

With only two days to decorate the gym the juniors worked and decorated for Prom Friday Night and put on the finishing touches Saturday. A river ribboned in moonlight muraled one wall, and glittering stars glanced off the floors, walls, and ceiling from a suspended light creating the romantic atmosphere for "Wonderland by Night."

Wonderland by Night will become a memory shortly.

Nativity Scene Made by

Being a charter member of the Wisconsin Industrial Education Association, the Industrial Arts Club was alive and doing very well again this year.

The club's main purpose is to give members a chance to further their education in industrial arts by building projects during open shop after school and in the evenings. The club also performs a service to the school. This year the members made the nativity scene that decorated the roof of the school during the Christmas season.

The club is not all work and no play, however. The members built a float for the Homecoming parade with the theme "Sink the Pirates". They plan to have another roller skating party, and to go to the Indianapolis 500 again this year.

All the members of the Industrial Arts Club received a patch this year. The patch designated their membership in the club.

Officers of the Industrial Arts Club for the 1972-73 school year were: Paul Halderson, President; Terry Smith, Vice President; Todd Johnson, Treasurer; and Ken Casey, Secretary. Pictured Below.

Mr. Prussing helps the students in using the I. A. equipment.

ROW 5: R. Larson, P. Halderson, T. Johnson, G. Nicolai, L. Krackow, C. Ryder, T. Collins, D. Baer, L. Sahlstrom, J. Paulus.

Ecology Club Officially

The Ecology Club is a new organization this year. The club's adopted name, Wood's Men, is in honor of Bernard Wood, who worked for the preservation of the soil and water of the Galesville and Ettrick area.

The club planned to start a campaign to restore the Beaver-French Creek watersheds and Lake Marinuka. This would be done by fencing the streams and eventually dredging and restoring the lake with help from the community. Plans were also made to plant shrubs in the school forest to feed the wild animals.

For the enjoyment of the members, plans are being made for a canoe trip to the Minnesota Boundary Waters, and also to have a natural foods smorgasbord.

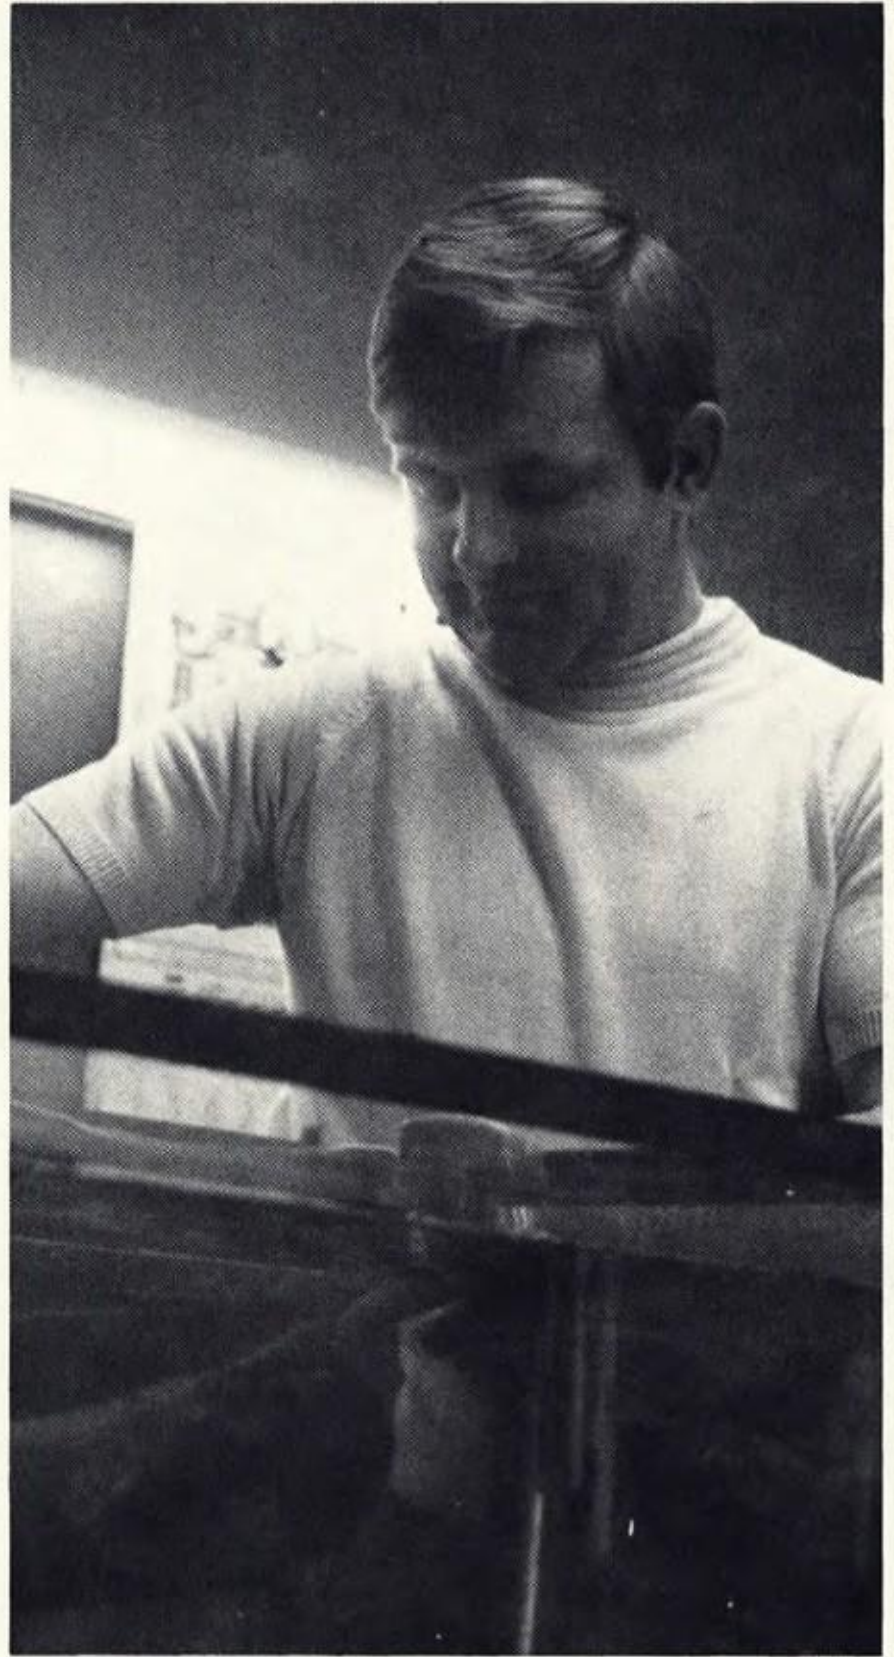

The club's main objective is to develop and spread good ecological ethics by example and information.

Yearbook Staff Strives

With seven staff members the yearbook can get to be a big job--too big when the deadlines start closing in on you.

Each year the staff strives to improve the quality of the book and also to increase the numbers of pages portraying the student life at G. E. T.

This year held three "first's" for the staff. The Board of Education approved the selling of advertising, a photography club was organized which saved our deadlines many times, and last but certainly not least, Mr. Green became our assistant advisor. A special thank you to Miss Henke who gave so willingly of her time to help the staff.

It was fun and lots of long hours of work preparing the '73 yearbook. We hope it will give you remembered times of happiness and work well done in the years to come.

FAR UPPER RIGHT: I like the first picture, the second one is better, the third one is perfect so let's use the fourth.

FAR LOWER RIGHT: You've got to be kidding--the deadline can't be on Monday.

CENTER: We tried but only HE could do it.

for the Big "E" Award

Student Council Works

The Student Council is an organization of student representatives designed to benefit the students of our school.

Our major projects this year were centered around the Christmas season. The second annual Sno Ball was sponsored by the student council on December 16. Captain Starfish provided the music. King Kurt Wood and Queen Mary Dolle reigned over the dance.

The last day before Christmas was celebrated with the staging of a talent contest, playing a junior-senior basketball game, and eating lunch. The senior girls placed first, the Polka Band second, and a singing quartet took third. The senior boys beat the junior boys 68-63.

Another big event was homecoming. The sockhop, "Ben", was held Thursday night, after the bonfire and program.

Projected plans for this year includes the purchase of an activity board to be placed in front of the school. Officers will be elected to replace present officers. They are: Katy Twesme, president; Loren Klein, vice president; Jane Erickson, treasurer; Carol Wilber, secretary; and Laurie Sacia, correspondence secretary.

ABOVE: Dave Lund, Advisor.

Homecoming 1972

It was a time for excitement. The bonfire was blazing, the band was playing, the cheerleaders were chanting furiously.

Katy Twesme and Darcy Remus were crowned queen and king, and homecoming was underway.

Throughout the week, students participated in activities to promote their spirit. Students came to school wearing unusual clothing, coinciding with Hat Day, Clash Day, Class Colors Day, Indian Day, and School Colors Day. A new addition to the homecoming activities was a poster contest sponsored by the Student Council. A wall area was given to each class to decorate with spirit-filled posters. The freshmen won first place, with juniors and sophomores taking second and third.

On Friday, many students, and even some teachers, were too excited to go to many classes. Putting the finishing touches on the floats, getting ready for the dance to be held that evening, or helping with the parade activities seemed to be the main excuses for not attending class. But the extra excitement was all worthwhile, for the parade was a success. Leading the march was Queen Katy, seated in her chauffeured car, followed by the Pom Pon Girls, the band, the queens attendants, and finally the floats. A short pepfest was held and the placement of the floats was announced--the sophomores won first place, the freshmen took second, and the juniors place third.

With the national anthem and the school songs played by the G. E. T. band at about 7:25, and the kickoff at 7:30, the Redmen were on their way to defeat the Cochrane-Fountain City Pirates. The final score was 12-8.

Dancing to the theme "Friends" with music by Storm, students completed an exciting and victorious homecoming week.

Student Librarians Ready

ROW 1: R. Waldera, L. Parkhurst, P. Jacobs. ROW 2: D. Twesme, R. Grant, R. Tranberg, R. Aasland, R. Aasland, J. Bettesworth.

The Library Club is a service organization whose members give freely of their time to help their fellow students in using library resources for instruction or pleasure. The group also seeks to stimulate interest in librarianship as a profession.

Each January at the beginning of the second semester, new members are accepted. The club is affiliated with the state organization, Student Library Assistants of Wisconsin, and with a similar regional group, Student Library Association of Western Wisconsin. Representatives of the G. E. T. club attend a convention of at least one of these groups each year. Dixie Bell was the G. E. T. delegate to the summer workshop for student librarians at the University of Wisconsin at Madison in July of 1972.

Club members operate a paperback bookstore for the convenience of the students. Committee members keep the display case and bulletin board attractively arranged. A well-received innovation this year was a film fest night.

On Saturday, April 21, the Library Club played host to the West Central section of the Wisconsin Library Association. Other spring activities included presentation of service awards and the annual senior dinner.

N.H.S. Trys Something

National Honor Society members are chosen by the faculty each year on the basis of outstanding character, scholarship, leadership, and service. They are inducted into the organization in the fall of the school year. Several sophomores are elected as provisional members in January, but are not inducted until the next school year with other new members.

This year the National Honor Society tried something new; a slave sale. After the student body congregated in the gym, the auction began. The highest bidder bought the slave and that slave had to do whatever his buyer wanted for one day. The auction paid off well, and the club had funds for the rest of the year. A mixer helped out financially as well.

Fulfilling their service to the school, the N. H. S. members served as guides at parent-teacher conferences and ushered at several school functions.

Le cercle Francais

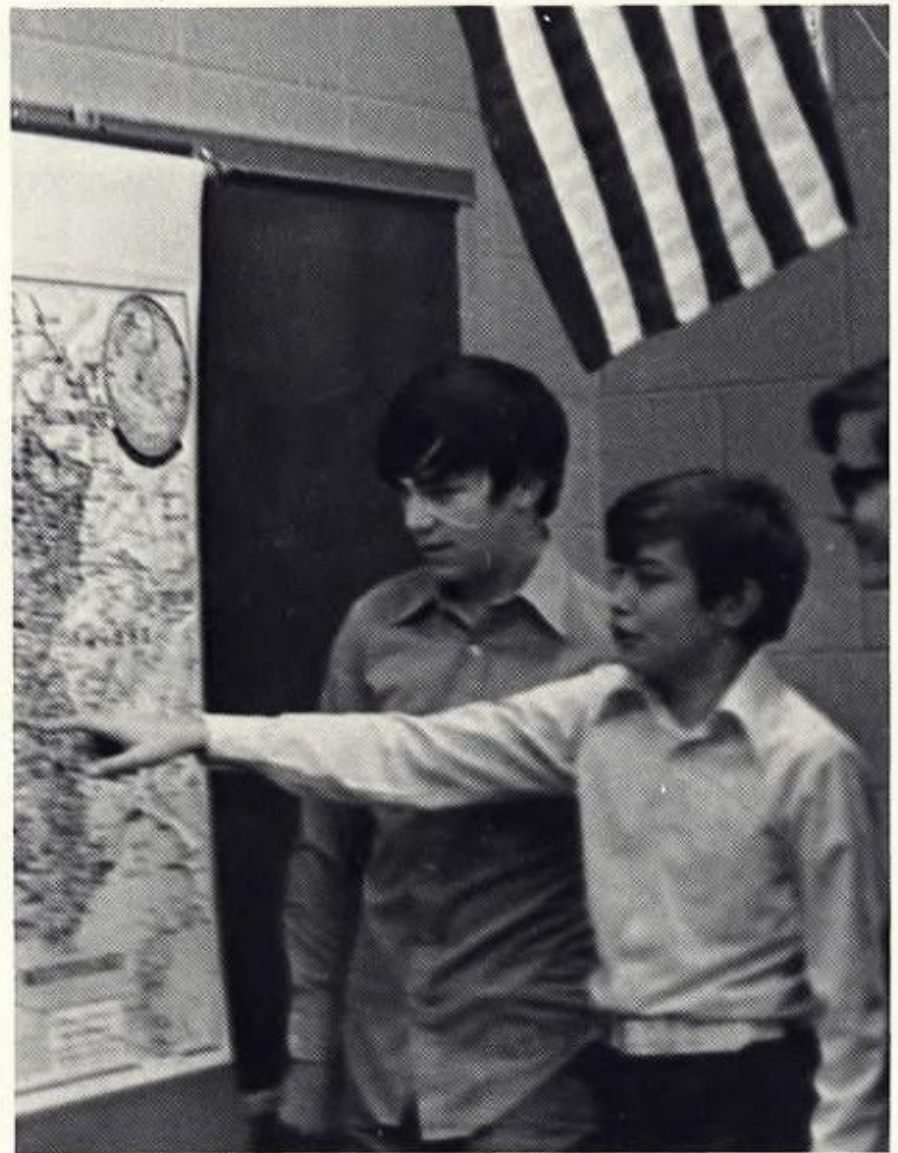

French Club enables students to have fun while they learn about the French language and culture. At French Club meetings, members play French games, sing songs in French, and just generally have fun. Many students have pen pals in France, and often their letters are shared. At several meetings, French pastries were served. To finance these foods, the club sponsored bake sales.

Any student who is studying the language now, or who has previously had two years of French may join the club. Each member who wished could buy a pin, showing his membership.

Again this year, the club went Christmas caroling. At each stop, they sang songs in French. Plans were made to attend the annual French dinner held at Eau Claire University. This dinner consists of dishes prepared in the authentic French style.

Officers this year were: Shelly Hanson, president; John Olson, vice president; Sharon Englelein, secretary; and Rick Grant, treasurer. The club's advisor was Miss Tevis.

BELOW: Miss Tevis doesn't do all the talking.

The G.E.T. Band worked toward Class A competition this year, hoping to improve on last years second in concert and repeat a first in sight reading.

A stage band has been organized again and will be used in concert and competition. New uniforms were the big, new addition to our band this year along with additional percussion equipment.

The concert uniforms have a formal, tuxedo appearance. A high collar overlay changes them into a West Point style parade uniforms. The high fur shako makes them extremely impressive.

The concert presentations for 1972-73 were the Christmas concert, a pop concert, spring concert and an exchange concert with Arcadia.

FAR RIGHT: The marching band played it's part in the homecoming parade.

Jacobs, S. Bue, T. Toppen, D. Wilber, A. Lettner, M. Paulson, S. Becker, D. Rowlands.

The marching band played its part in the homecoming parade.

Chorus and Glee Club

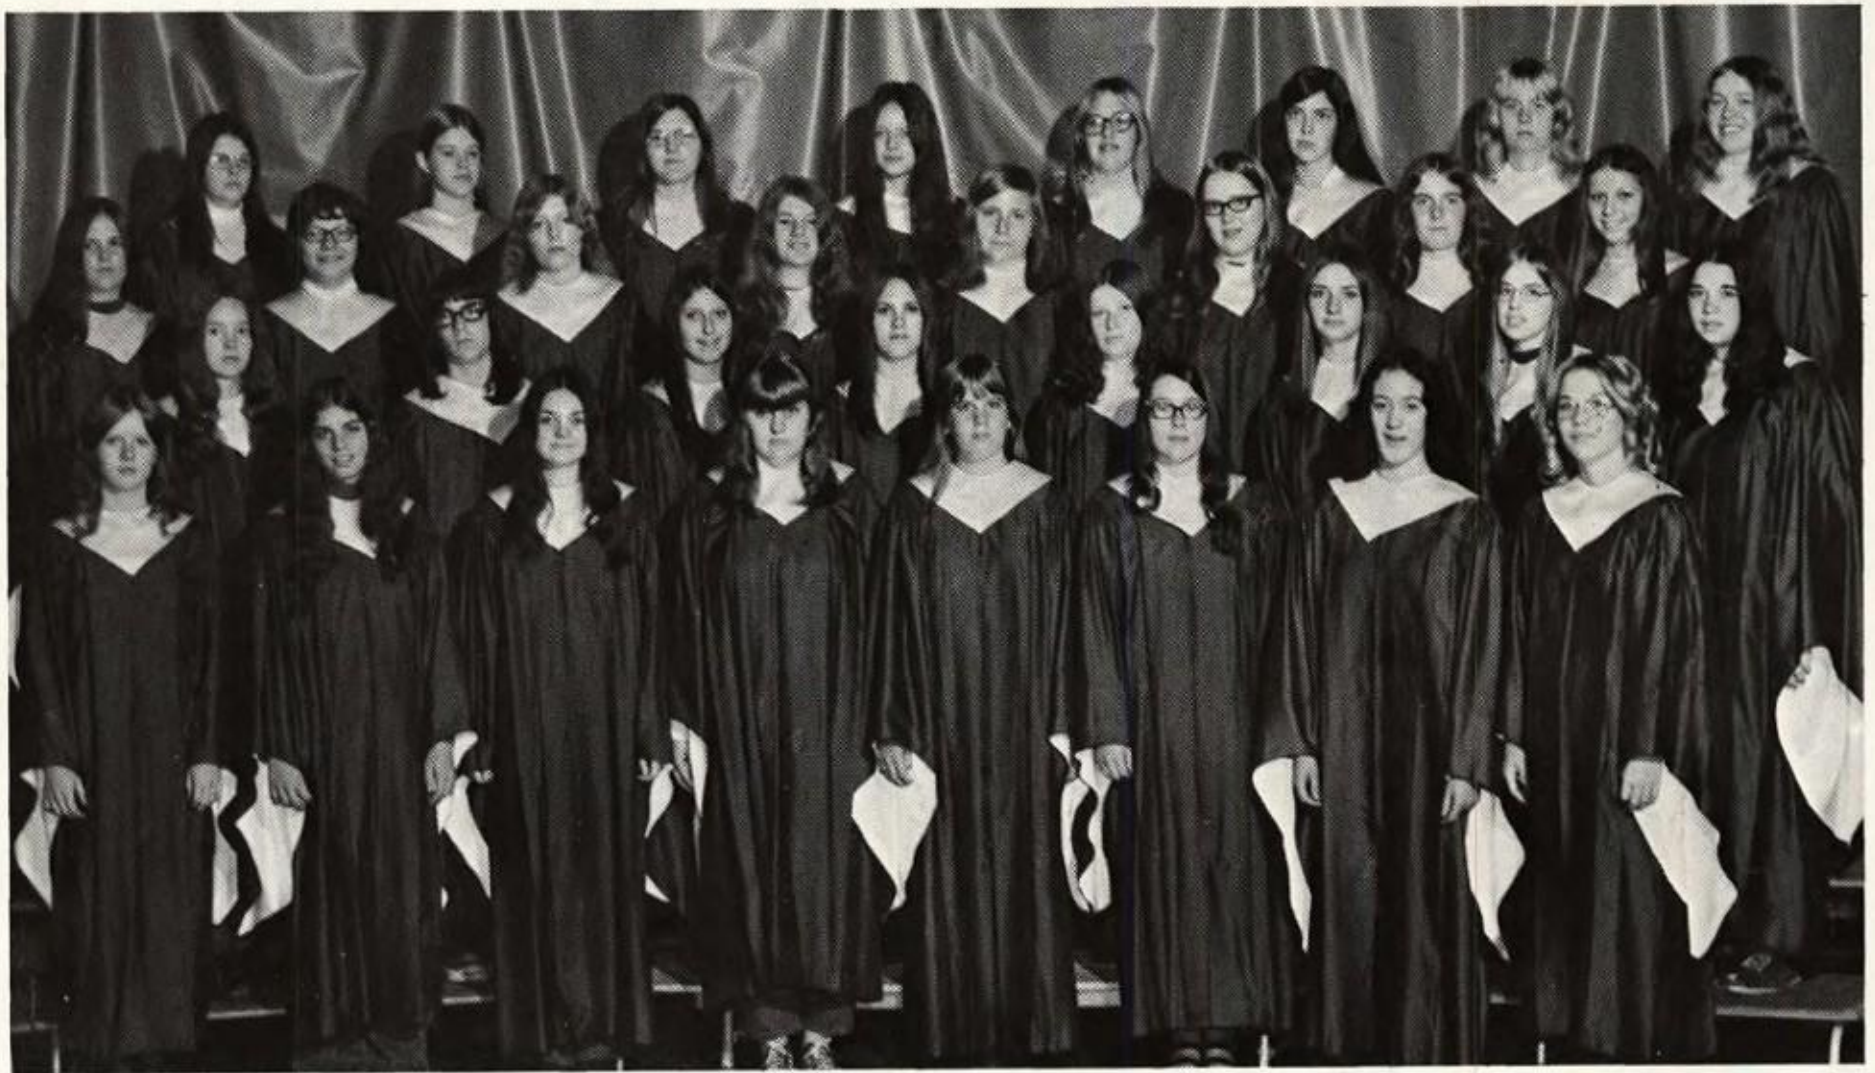

The G.E.T. Chorus was particularly busy this year. A Christmas concert was given on December 12, featuring special selections of "Do You Hear What I Hear", "Three Wisemen Wisemen Three", "Christmas Wish", and "Blessed Mary". The students went Christmas caroling throughout the area and ended with a pizza party.

In February the vocal department presented a pop concert with music by Simon and Garfunkel and the Carpenters.

The final concert was a spring and festival concert. The solos and group selections entered in the festival contest were presented and enjoyed by a huge crowd.

Pom Pon Squad the Best

ABOVE: The Pom Pon Girls performed at half time of both football and basketball games, adding something special" to the half time session.

The eighteen girls who make up the Pom Pon squad provided half-time entertainment at many home football games, basketball games, and wrestling matches again this year.

The entire squad attended a pom pon clinic at La-Crosse State University this fall. At the clinic the girls performed one of their own routines, heard new ideas on different styles of uniforms and shakers, and learned many new moves.

The night of the last home basketball game provided extra excitement. Since it was the senior girls last night to perform, the squad went out to eat before the game. After the halftime performance, roses were presented to the senior girls and to Mrs. Anderson, the girls advisor.

This years captain was Kathy Rand. Donna Bowman was selected by the squad as co-captain. She will be captain next year. Shelly Hanson was secretary-treasurer.

RIGHT: Come on Mrs. A., hit the spot.

We've Seen Yet

Jingle Bell Rock Theme

The second annual Sno Ball was sponsored by the G.E.T. Student Council again this year. Centered around the theme "Jingle Bell Rock," Captain Starfish provided the music.

The student body voted on the queen and her court, choosing one girl from each class. These girls then chose their own escorts. Katy Twesme, president of the Student Council, crowned Kurt Wood as king, and Kurt then crowned Mary Dolle as queen. Their attendants were: Jane Erickson and Bill Stephan; Lynn Stegemeyer and Dave Hanson; Rhonda Sander and Mike Nichols. Following the coronation, Queen Mary received one dozen long-stemmed red roses, and with King Kurt led the grand march.

The decorations added much to the holiday atmosphere. Christmas trees decorated gaily, magically transformed the gymnasium into a festive setting, and a love seat lent a romantic air to the scene. Delicious refreshments, served by the Student Council topped off the gala affair.

SEATED: K. Wood, M. Dolle. STANDING: M. Nichols, D. Hanson, B. Stephan, J. Erickson, L. Stegemeyer, R. Sanders.

of 1972 Sno Ball

K. Wood, King and M. Dolle, Queen reigned at the ball.

Cheerleaders and Fans Give

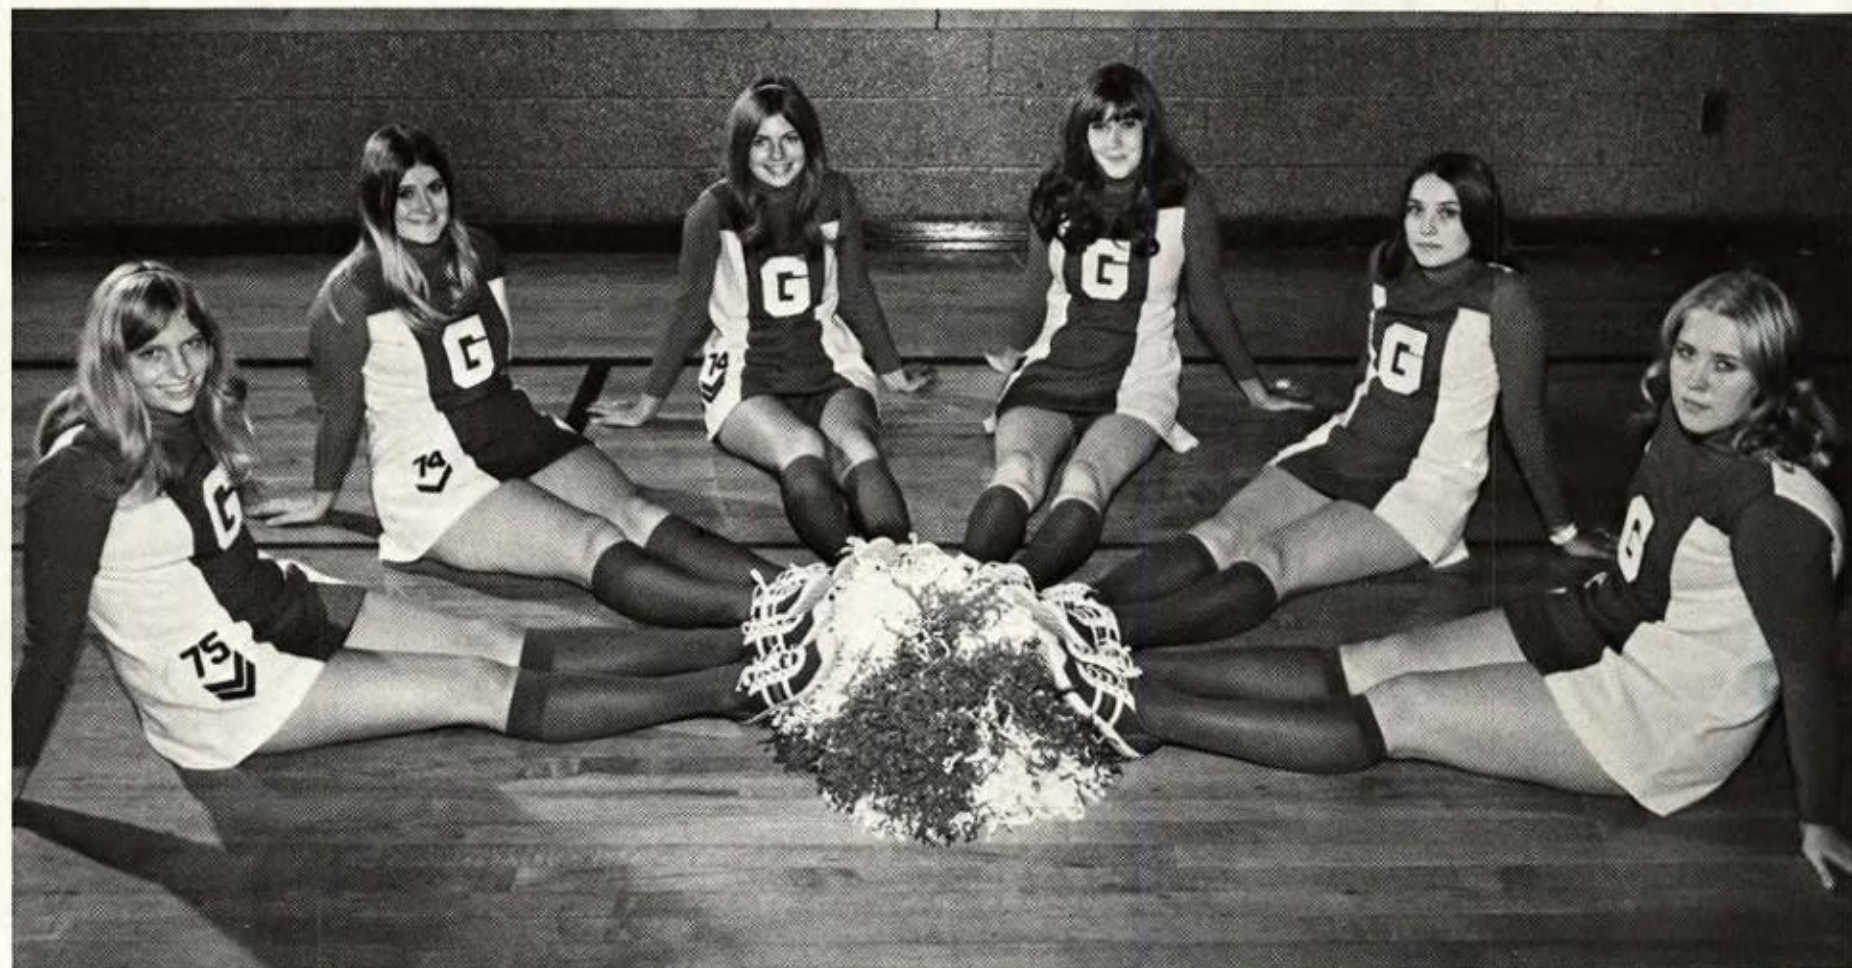

The three cheerleading squads, varsity, junior varsity, and wrestling, have worked with the pep club especially hard this year to inform the students of athletic contests and to generate enthusiasm and spirit for all sports. In addition to the sign making and pep skits, the cheerleaders sold shakers and pennants to Redmen backers.

Each squad has a separate team to lead to victory during the winter, but during the fall work together to lead the football team to a new and more outstanding record. The junior varsity squad is composed of Jill Carhart-captain, Lois Hammond, Kristi Olson, Barb McCormick, and Sharon Engelen. The varsity squad includes Delaine Hoff-captain, Katy Twesme, Carol Wilber, Vicki Harris, and Jane Trim. The varsity wrestling squad cheers with Karn Johnson-captain, Cindy Trim, Jane Erickson, Brenda Knepper, Sheryl Becker and Mary Sacia.

Tryouts for all of these squads are held in the spring of each year, with college cheerleaders acting as judges.

Pep Club Promotes

The Pep Club completed its second year of existence. The purpose of the club is to create and promote school spirit, loyalty to the school and good sportsmanship. The members are pledged to support our athletic teams in victory or defeat. All students in the senior high are eligible for membership in the club. This year the Pep Club decided to lend its support to all senior high activities that represent our school. This included such competitive teams as forensics, the High Quiz Bowl team and music contests. The following students were officers this year: Laurie Sacia, president; Sharyn Becker, vice-president; Debbie Fischer, secretary-treasurer; Betsy Johnson and Pam Sacia, senior representatives; Mare Hare and Norma Kohnle, junior representatives; Mary Wilber and Mary McKeeth, sophomore representatives; Lynn Anderson and Kim Williamson, freshmen representatives.

A new G. E. T. and Redmen mascot was made by Pep Club members for the gymnasium. Many signs were made, creating student support for our victorious football team. These included slogans on signs to instill school spirit in our students and show the football team that they had student backing. Pep Club members also helped the cheerleaders at pep rallies and worked very hard for Dad's Day, a special night for the fathers of our football players.

Club activity during the winter sports season was minimal at the beginning, but picked up later in the season. All materials used by the Pep Club were purchased by them with money earned in selling items, with the exception of some materials donated by understanding faculty members. Advisors to the club are Mr. Valiska and Mrs. Warriner.

BELOW: The cheerleaders lead the Pep Club in boosting spirit for G.E.T.'s Redmen.

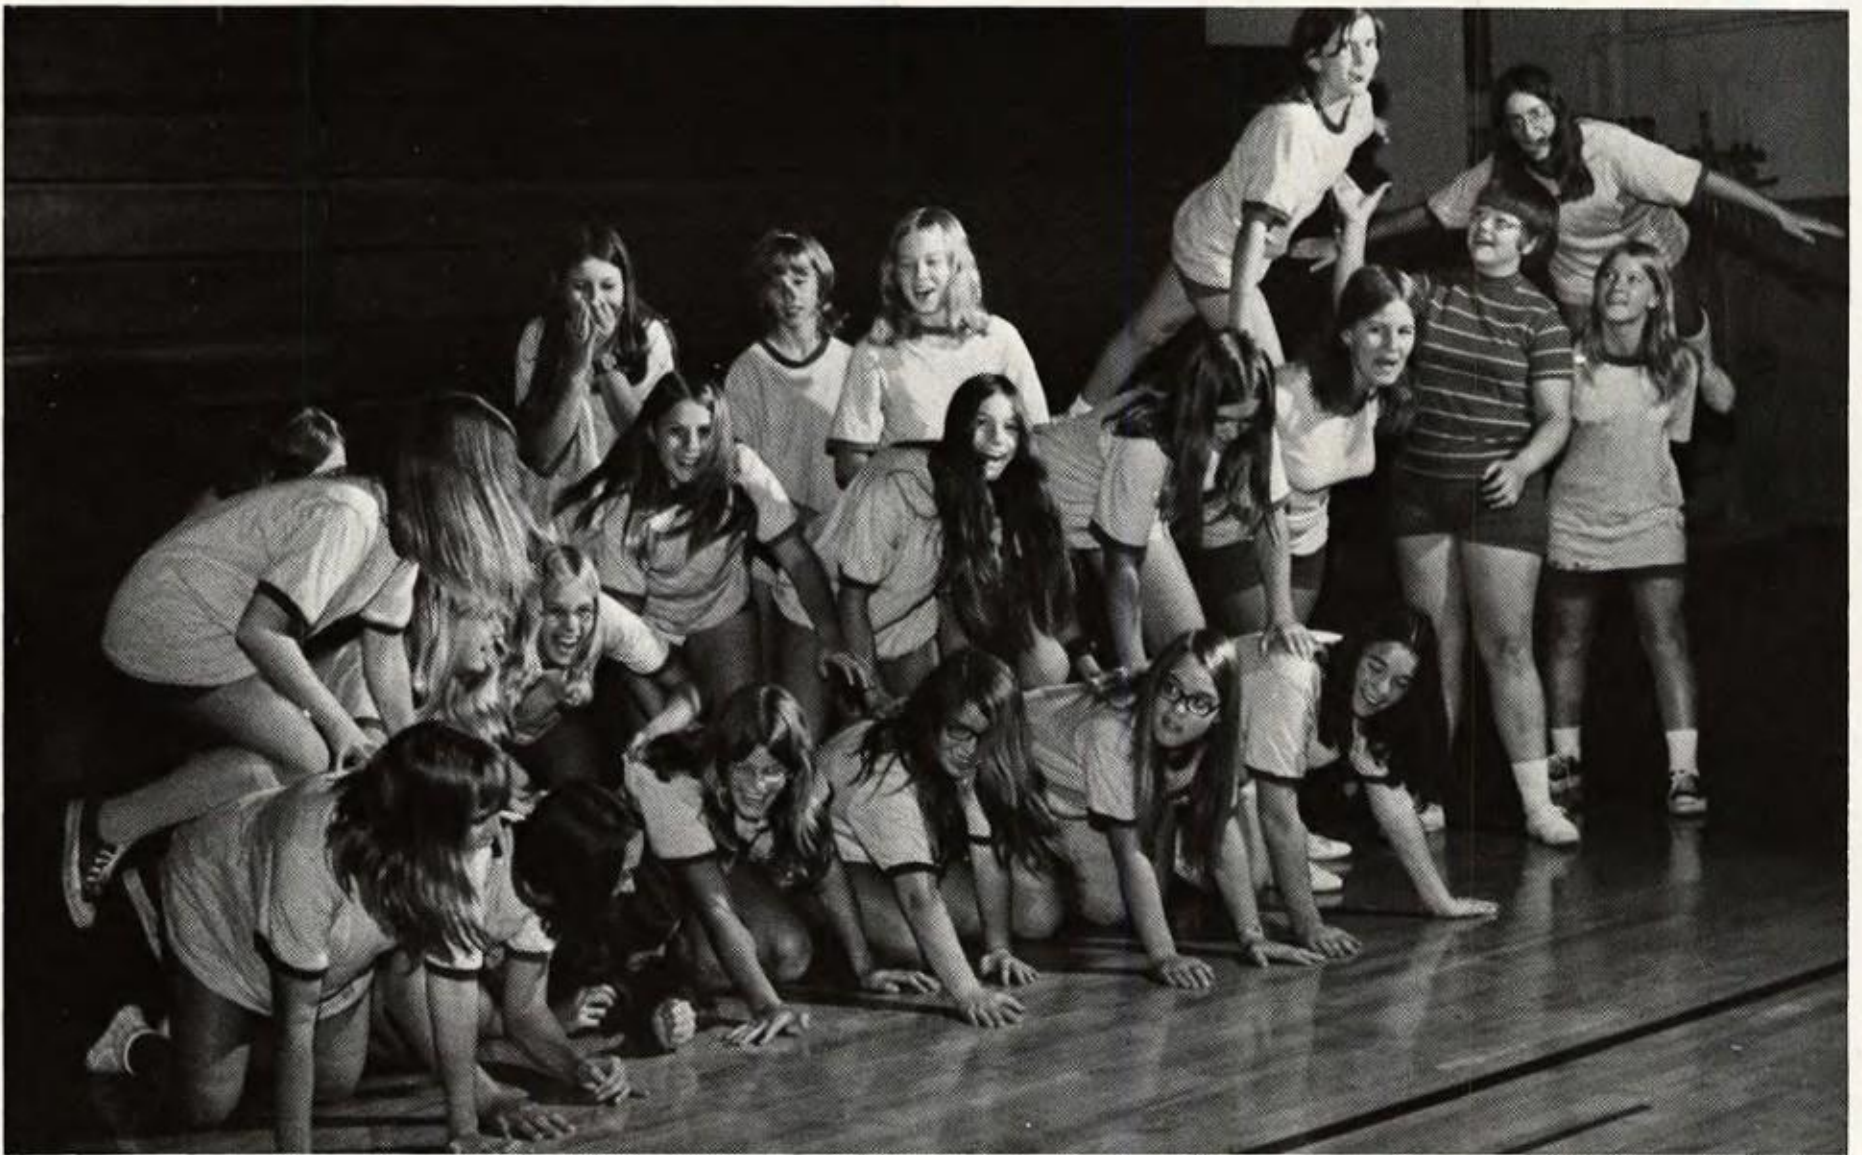

Participation Grows

The Girls Athletic Association (G. A. A.) again claims over 120 in its membership. These girls participate in numerous organized activities throughout the year, earning points and credits toward the awards of letter, pin, and bar or charm. Among the sports offered are basketball, volleyball, softball, bowling, curling, and archery, with each activity lasting about six weeks. To earn a letter, the girls must participate in four activities over a two-year period. Each following year, two points or credits entitles them to first the pin and then the bar or charm. It is hoped that personal enjoyment ranks as high as the awards.

Besides these organized activities, the club also enjoyed a roller skating party, a bowling party, a swimming party, a winter party, and a closing picnic.

The sale of red or blue Gale-Ettrick-Tremple T-shirts and several bake sales helped finance the purchase of the awards.

the Wonderful

The Gale-Ettrick-Trempealeau Future Homemakers of America chapter is affiliated with the state and national organization whose goal is to help individuals improve personal, family and community living.

Wanting to become involved in the "To Dare is to Care" national project and to help those less fortunate, the members conducted the annual UNICEF drive in Galesville, Trempealeau and Ettrick. They also adopted a foster child and made a trip to the Trempealeau County Hospital to help with an evening of entertainment for patients there.

For several years, F.H.A. ers have brought Christmas gifts to be sent to the Sparta Childrens Center. Letters of appreciation were received from those recent graduates in the armed forces who received homemade cookies from the F.H.A.'s cookie bakery project.

The biggest F.H.A. event of the fall was acting as hostess at one of the district rallies. The theme was "The Wonderful World of F.H.A."

The national project, "Preparedness--the Key to Opportunity" and state project "\$ and ¢" received attention during the year.

Officers for the 72-73 school year were: Carol Wilber, president; Doris Wilber, vice president; Wendy Herman, treasurer; Becky Williamson, secretary; Becky Smith, parliamentarian; Sandy Smith, historian; Donna Aasland, degree officer; Jane Beirne, recreation director.

FFA Unites Youth

The Future Farmers of America is a local, state, and national organization. Its main objectives are leadership, participation, companionship, and entertainment.

The F.F.A. competes in creed contests, speech contests, parliamentary procedure contests, and numerous judging contests. This chapter finances its yearly activities by a yearly magazine sale. It also sells "Slow Moving Vehicle" sign at cost.

The G.E.T. chapter has received a superior rating for the past six years. It has been awarded a special plaque for the work in the "Building Our American Community" program the past two years. Our members are rewarded with pheasants, trees and corn for their projects. Each year one or more seniors have received their Wisconsin Farmer Degree at the state F.F.A. Convention at Green Lake Wisconsin. Many members receive awards on a special awards night each spring that is given for parts and members alike.

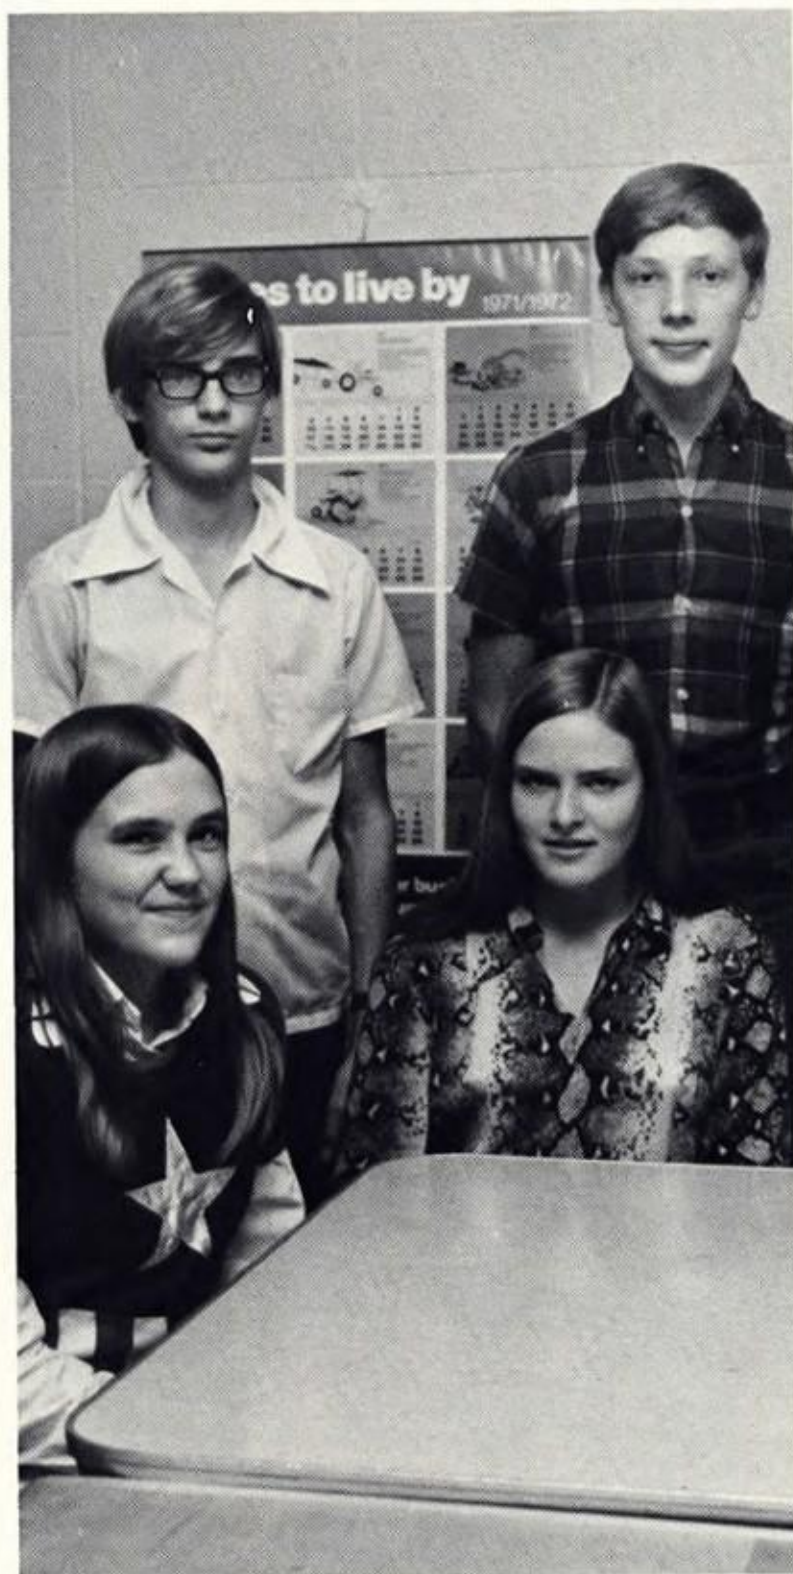

The Wisconsin Junior Dairyman's Association is a program to promote dairy herd testing and dairy herd improvement.

The W.J.D.A. is open to all students in high school who has milk testing records on his dairy herd.

We participate in the sectional meeting and two day convention. The members compete in speech contests, demonstration contests, dairy cow classification, and dairy cow exposition.

The W.J.D.A. is incorporated in our F.F.A. and operates as a total part of the vocation agriculture program.

Our members also enjoy many activities of entertainment. County Fairs, State Fairs, North West Livestock Exposition, senior fishing trip, and spring class basketball tournaments round out a complete F.F.A. yearly program.

Host Instructional Meetings

The Drama Club's main objective is to promote dramatic activities among students. The club's plays make them self-supporting, and teach theatrical advertisement, stage scenery, technical lighting, and make-up application.

The club hosted several instructional meetings and workshops which were open to the school. At one workshop, Dr. Louis H. Campbell, Chairman of the American Theatre Association Stage Movement and Dance Project and a leading authority on time and movement, was a guest speaker. The workshop was entitled Movement and Physical Expression. The workshop bettered the understanding of movement and the reduction of personal inhibitions. Another instructional meeting included learning the correct way to apply make-up.

The club presented a one-act play, "Curse you, Jack Dalton," to the school and public. Plans were made for a three-act play.

The club attended several plays at the Viterbo Fine Arts Center in La Crosse. These plays included; "A Doll's House," "The Boyfriend," which is a musical, and "Faust." They also planned to see the presentation of "Cyrano" at the Guthrie Theatre in Minneapolis.

Officers this year were: Yvonne Bell, president; Darlene Kleppen, vice president; Corrine Becker, secretary; and Bart Near, treasurer.

RIGHT: Egbert is persuing Bertha from "Curse you Jack Dalton."

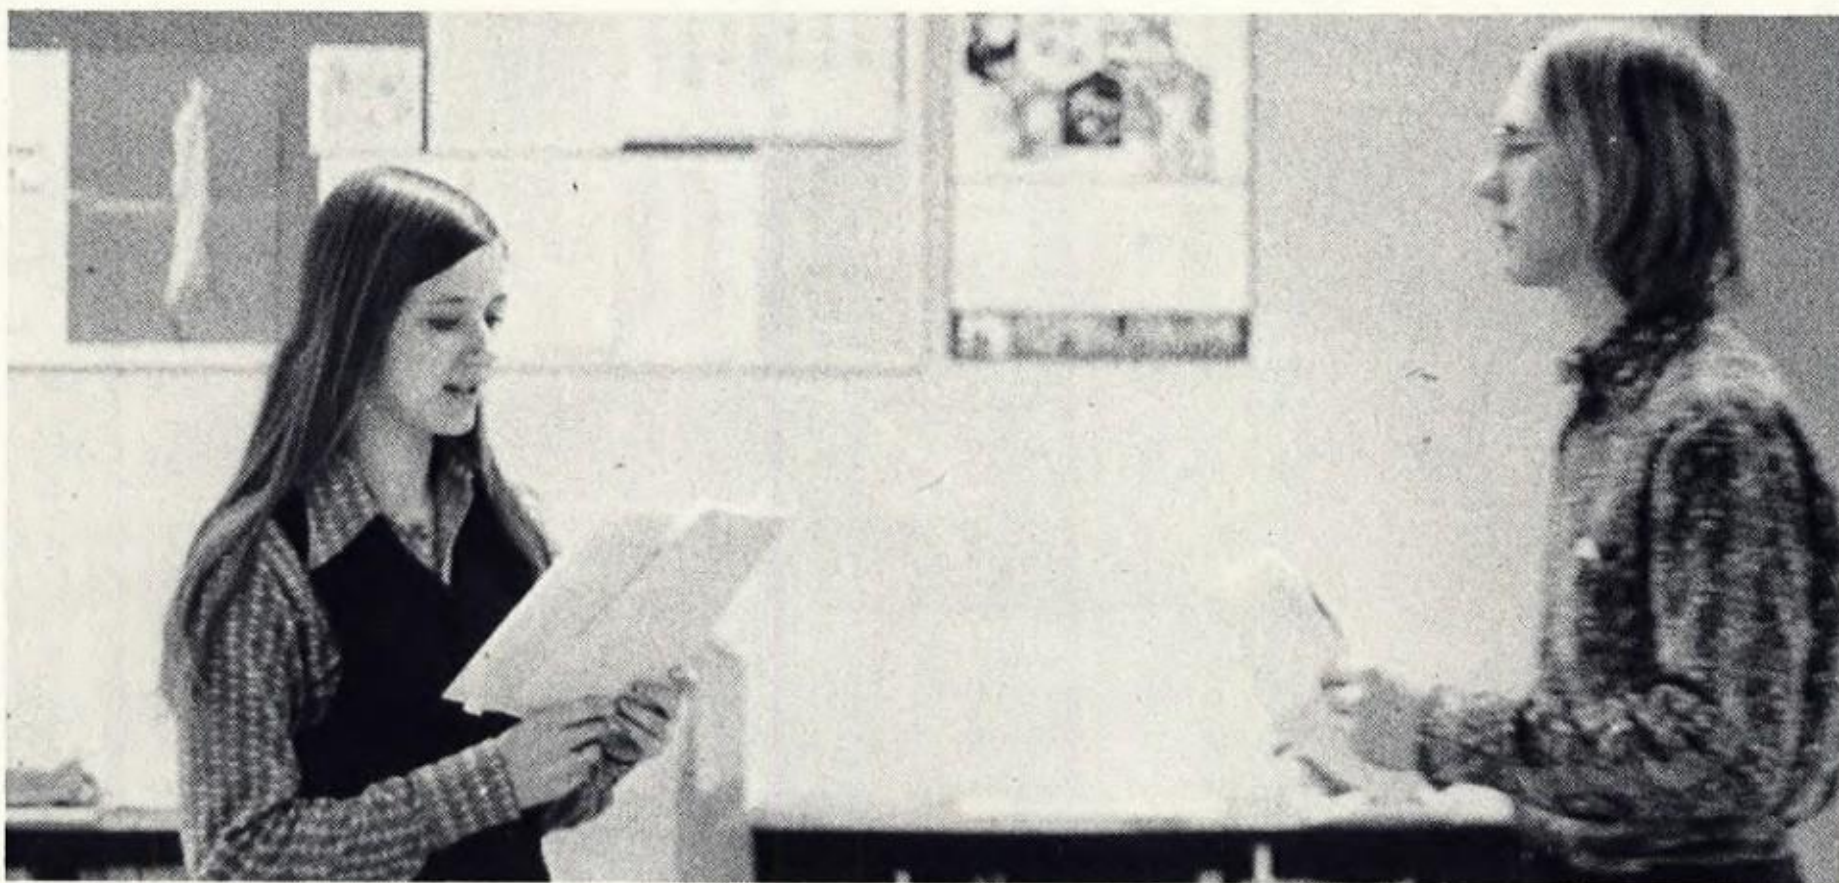

BELOW: Yvonne, Corrine and Steve are planning a trip to Vertibo College to see a play.

and Workshops

the Introspective

Forensics was once again a popular activity for students to take part in, with about forty students participating in the local contest.

Each student competed in the category of his choice; play acting, poetry reading, or speech writing.

In order to reach the state level, participants must achieve an "A" rating in each of the lower levels. This year the sub-district contest was hosted by Gale-Ettrick-Trempealeau in March. The district contest was held in LaCrosse in March, and the state contest in April at Madison.

Congratulations to all G.E.T. students who reached the state level.

Photography Club in Its

The Photo Club performs a service to both the Gale-Ettrick-Trempealeau High School and to the surrounding community. Any teacher wishing a series of slides to aid in teaching a class may ask the club to take the pictures. Also, any photographs needed for newspapers about school connected activities are taken.

The Photo Club takes, processes, and prints all their own photos with equipment owned by the school.

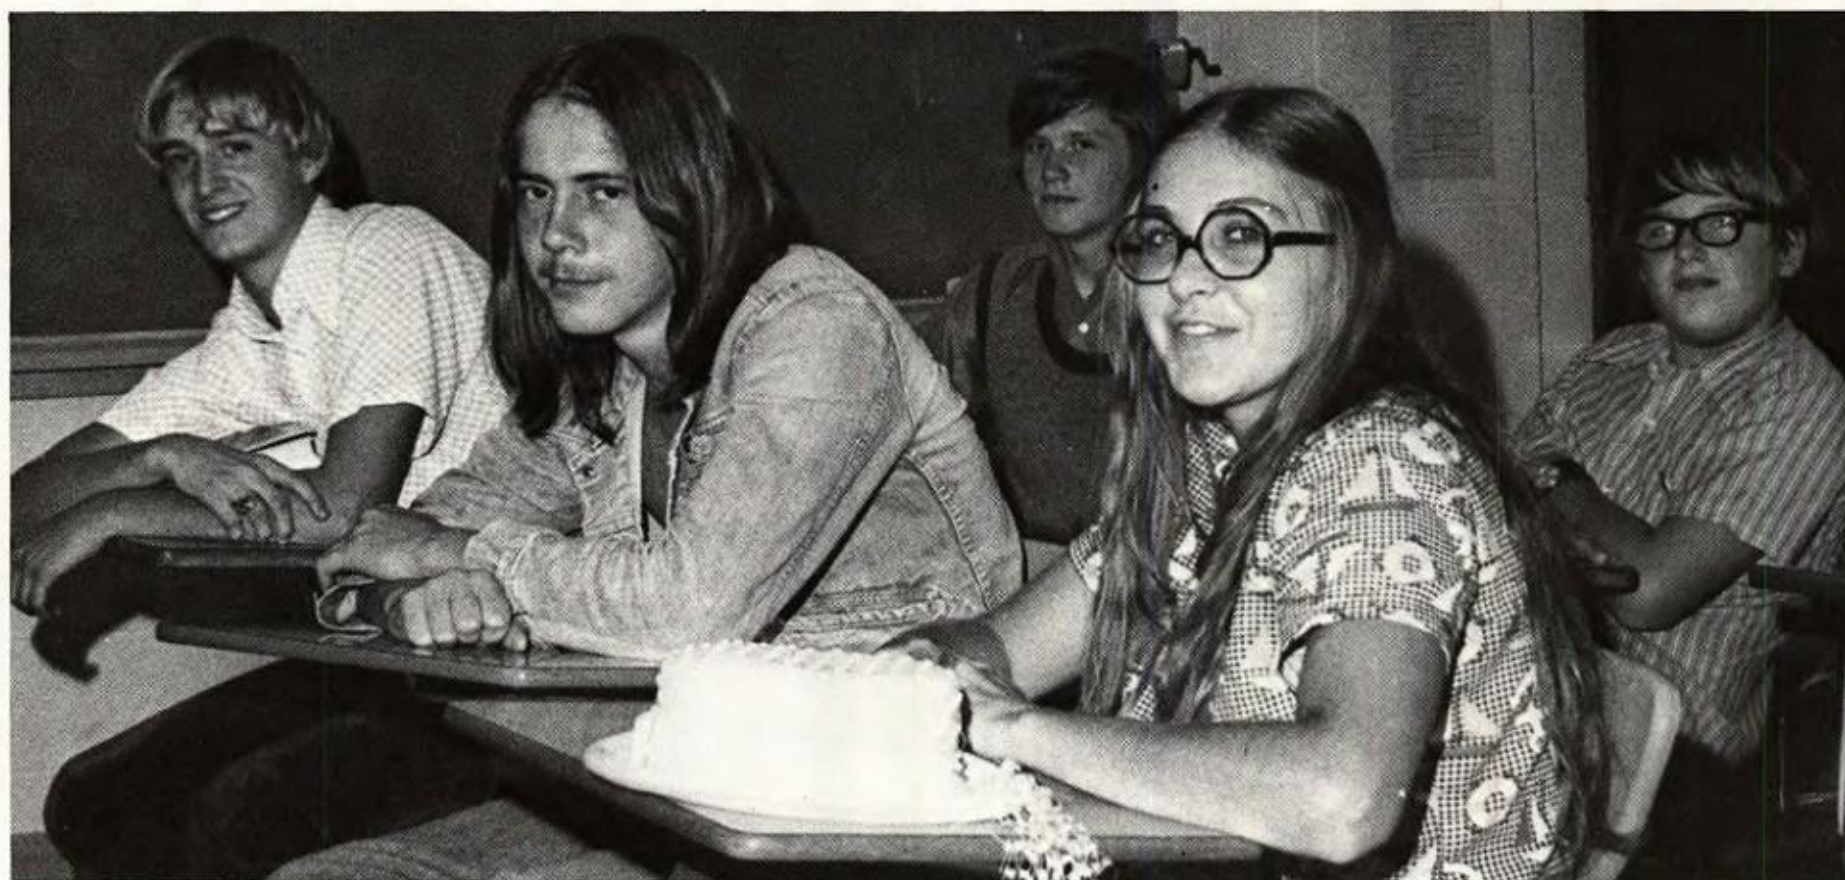

Besides performing a service to the school and community, the club tries to promote quality photography among students and teachers. Several photo clinics were open to anybody wishing to attend.

The chief photographer for this year was Steve Kopp. After Mr. Costanzo, the club's advisor, approved the jobs, all work went through Steve. Dave Hanson was the yearbook photographer. He was in charge of taking many of the pictures that were needed for the annual this year. Phyllis Trim, as the club's secretary, took care of all correspondence and filed negatives. The Photo Club had only about ten active members this year, but is hoping for more as the club matures.

A.V. Comes Alive At G.E.T.

The Audio-Visual organization slowly got to its feet this year. Student operators were trained by Mrs. Gautsch, Worra and Green to operate AV equipment for faculty members during in-class situations.

Members of AV Club sponsored teacher training sessions held during school days, seven periods a day. Club members generously gave up their time to video tape sports events and other extra-curricular activities. Operators were encouraged to utilize the equipment in production of their own programs or projects.

Future Holds the

With their last year of high school life behind them, the Class of '73, realizing the time is now, are planning their futures now.

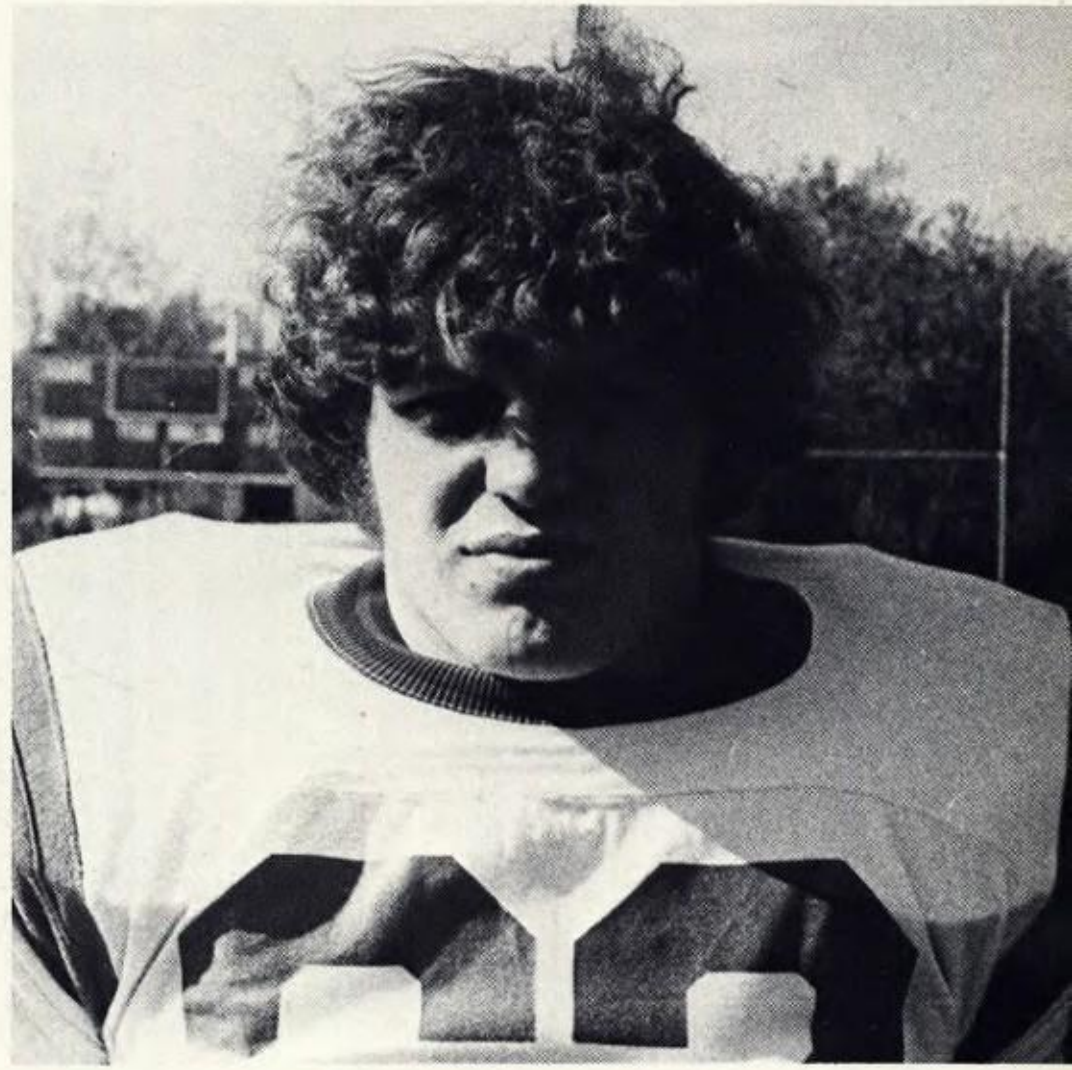

The seniors were busy during their last year. Students participated in the Youth Serving Youth program, others had on-the-job training, and still others worked to help finance their post-high school education. Debbie Lund, Shelley Hanson, and Beth Bahnub went to Europe for their summer vacation while others enjoyed themselves, even though they weren't as fortunate.

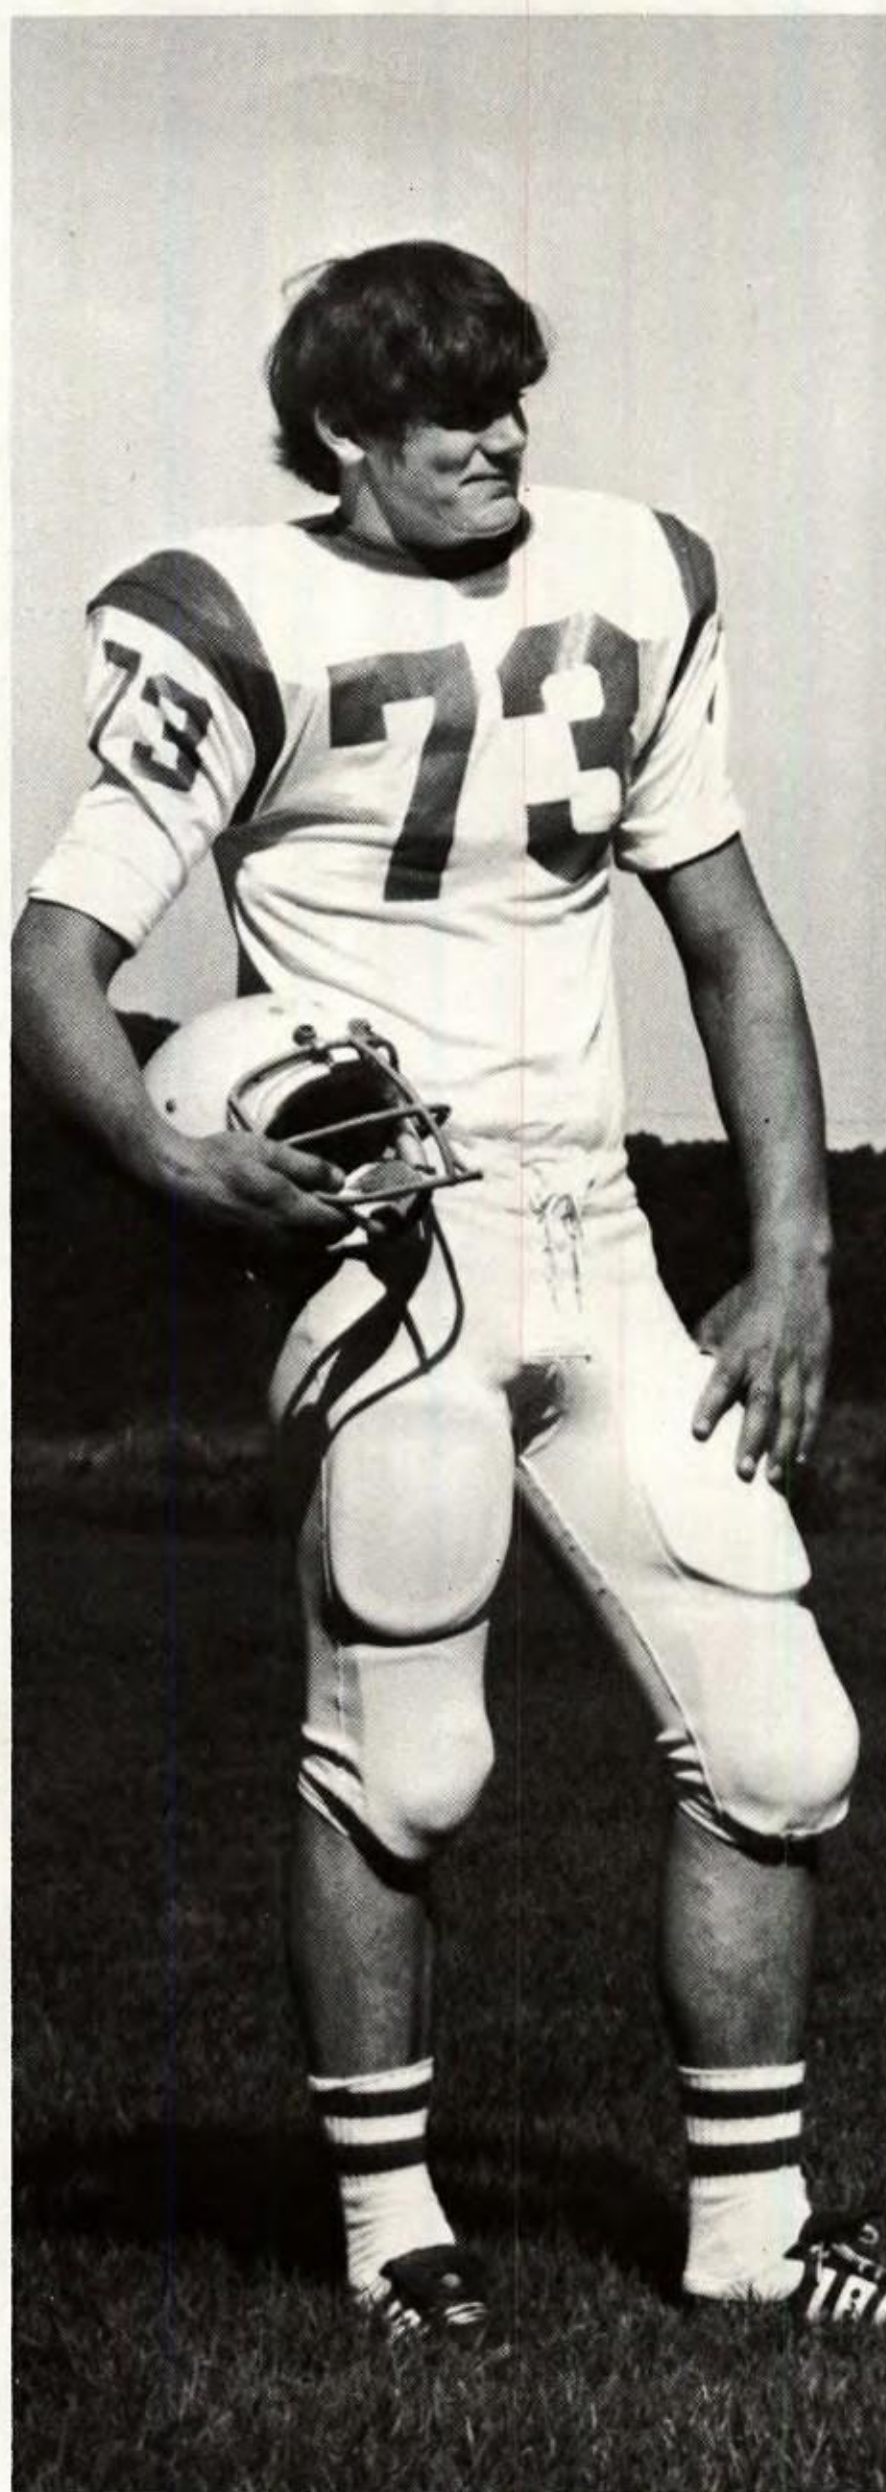

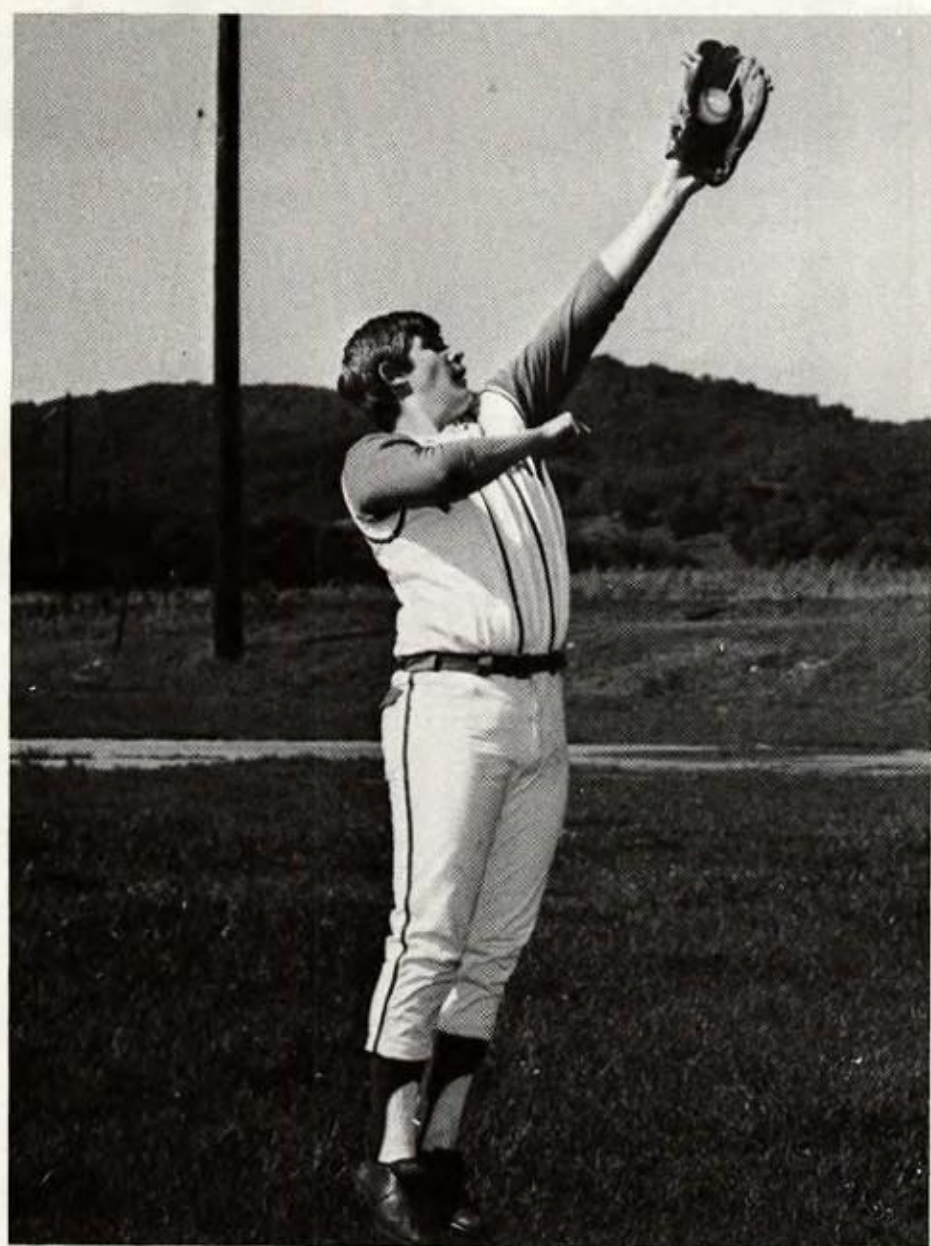

The Seniors always managed to pull through any situation put before them. With homecoming activities keeping them busy, the seniors managed to put a float together for the parade. Funds for "Friends" were scarce, but inexpensive yet impressionable decorations were obtained to give the effect the class wanted.

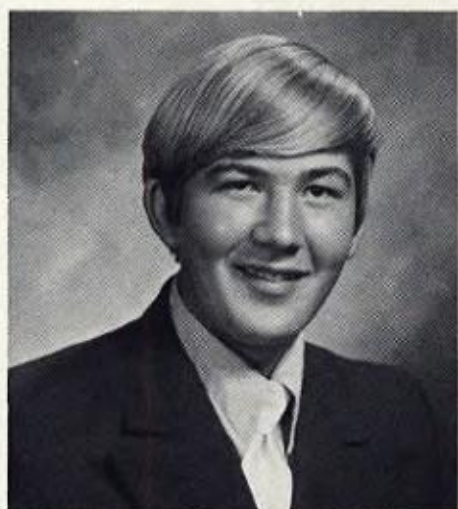

Yes, the time is now, but these memories, even though they may fade, will never be forgotten.

Class of '74 Cavorts

The junior year is always a big one, and this year was no exception. Starting with the handing out of class rings, and ending with the Junior Prom; the Class of 1974 enjoyed itself in everything it did.

With the burden of financing the prom, the juniors met and successfully tackled the problem by having the first mixer of the year with the theme "Black and White." Winning third place on their float, "We Came, We Saw, We Conquered," also helped ease the burden, and placing second on the wall contest boosted the moral of the class.

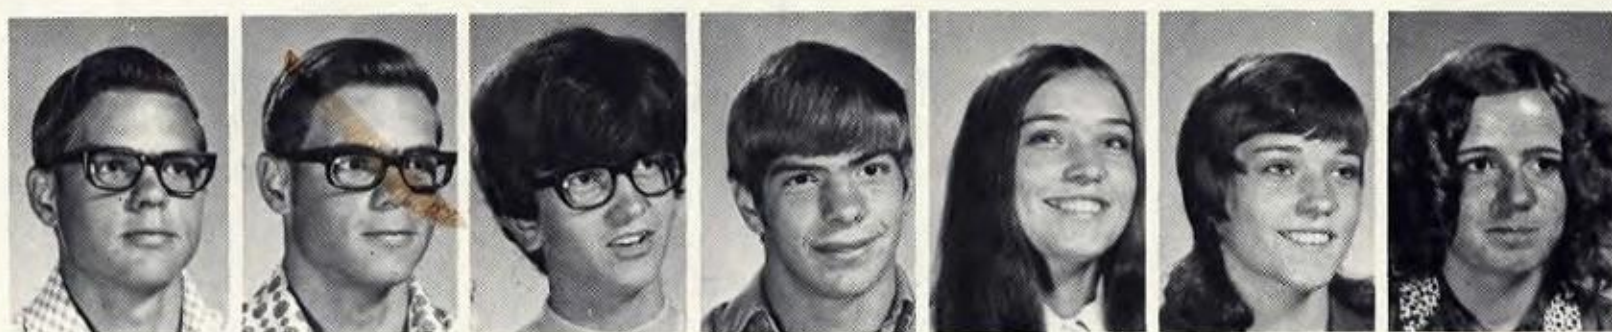

With another exciting year behind them, but not forgotten, the juniors look forward to being top men in the high school next year.

Class of '75 Trotts

Being a little more experienced in the ways of the life of students at G.E.T., the sophomores could now serve as guides to the freshmen. Setting a good example by winning first prize with their float "Play It Again" and sponsoring a successful mixer with the double theme of "Brandy" and "Simple Man", the sophomores proved they had learned the secret to successful high school life--class spirit.

This year the J.V. baseball team consisted of all Sophomores.

Sophomore officers for this year were: President, Gordon Jacobs; Vice-President, Becky Williamson; Treasurer, Carol Glowcheski; Secretary, Debra Henderson.

Class of '76 Facing

As all the classes before them, the freshmen survived their first year of high school life--and with flying colors at that. Winning first prize in the poster contest and placing second on their float with the theme, "Make Pirates Our 39th Victim," proved the freshmen can easily live up to the high standards set by the preceding classes.

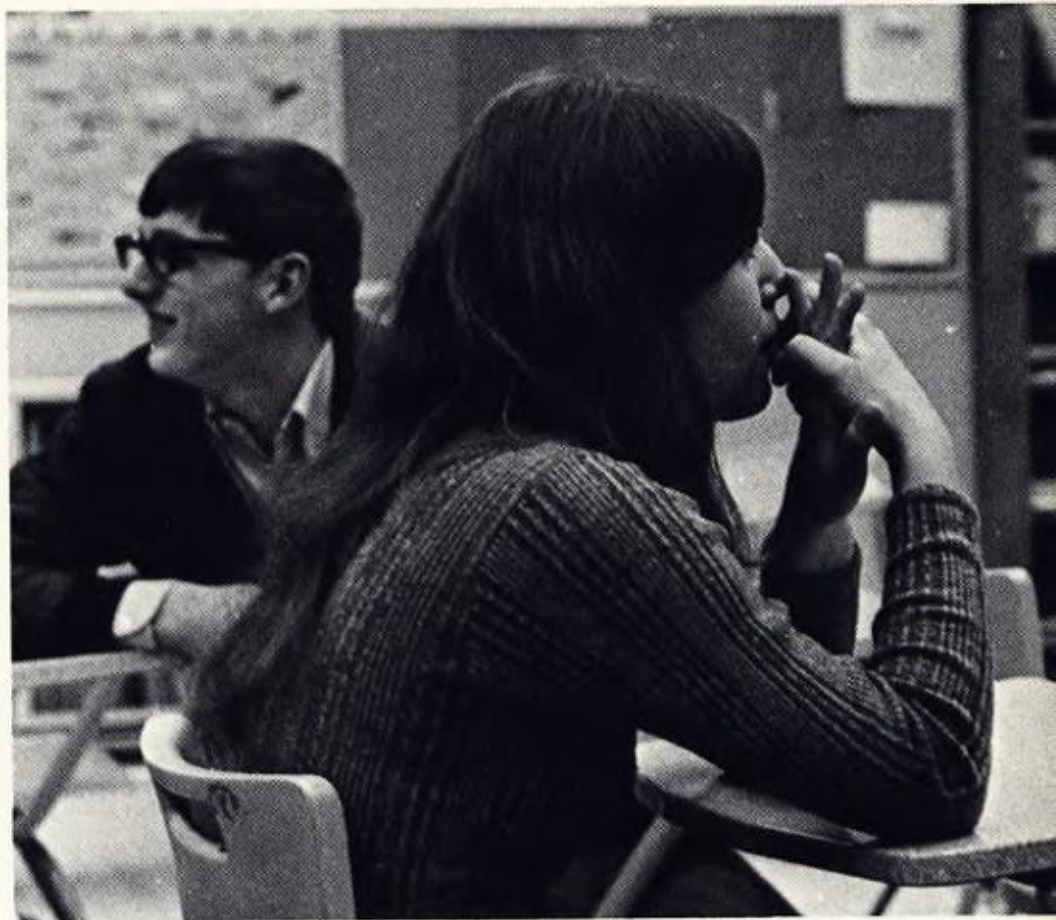

Being low men on the high school totempole didn't seem to bother the freshmen, but most of them are probably looking forward to being sophomores this fall.

THE FRESHMEN CLASS OFFICERS ARE:

President	Ryan Solberg
Vice President	Mike Nicholes
Secretary	Teri Dahl
Treasurer	Kim Williamson
